

## **DART Data Quality & Training Subteam Meeting Minutes, 06-13-18**

- I. Discuss future actions.  
Given the current uncertainty with the new Regents Data Governance Committee (R-DGC) and what form governance will take among the various working groups on campus, this group decided to shift focus and continue to build a data repository of data quality issues to be used and acted upon at a later date once new data governance structures are in place.  
Future scheduled meetings will be canceled in favor of virtual collaboration. Brendan Klein will present virtual collaboration tool options via e-mail.
  
- II. Next Meeting: Virtual
