Application for Translational Research Project (TRP)

Two-Pager Template

The goal of the two-pager is to convey a project idea to address a problem and capture the attention of funders and other stakeholders. The two-page proposal should generally address the following questions, though headings can be tailored to your specific audience.

- What is the problem to be addressed?
- What have others done to solve the problem?
- Why has the problem not been solved? What is the gap?
- What will you do to fill the gap? What is the innovation?
- Please include tangible deliverables, a timeline, and an exit strategy.

INSTRUCTIONS

Please follow these instructions when creating your two-pager:

1. Place title of your document in bold, centered at the top of your page.
2. Place the name of the PI and any Co-PIs on the first line after the title.
3. Include your department name.
4. In paragraph format, answer the questions listed above.
5. When submitting, please include all emails for the PI and Co-PIs as an appendix.
