

# THE LISTENING PROJECT

*Hearing the whole story:  
How to become a better listener*

From anchoring the news to network correspondent, from author of *Advancing the News* to founder of *NewsLab*, there is no part of news reporting that veteran journalist Deborah Potter has not tackled.

She's currently a consultant for the *Solutions Journalism Network*, looking at how local TV stations can better cover the response to social issues, not just the problems themselves.

Potter will teach you how to be a better listener and to find the stories others miss.

**November 13th, 1:30 p.m.**  
**Gaylord Auditorium**

The Listening Project is a Presidential Dream Course and financially supported by the Office of the President. All speaker events are free and open to the public.
