Dear Student:

Our office has received your financial aid application. In reviewing your records, we have discovered you currently owe a repayment on Title IV funds (Federal student financial aid). Information regarding your repayment of Title IV funds was reported to us by the U.S. Department of Education National Student Loan Data System (NSLDS) or the OU Office of the Bursar.

Federal regulation prohibits a student owing a repayment from receiving any further Title IV funds until the repayment is made. Consequently, we cannot continue processing your application at this time.

If you owe a repayment at the University of Oklahoma, you must submit documentation from the Bursar's office (a receipt, for example) showing the repayment is made. If your repayment is to be made directly to the Department of Education or a school you previously attended, you must provide written documentation that repayment is made. Once repayment is made, we can reactivate your application.

You can obtain the name of the agency and the phone number of the agency by consulting your Student Aid Report, calling the Federal Student Aid Information Center at 1-800-4FEDAID, or by logging into the National Student Loan Data System on-line at www.nsls.ed.gov.

If you have any additional questions about the financial aid application process, please contact our office.
