Dear Student,

Our office has received your financial aid application and it appears that you are currently admitted or you may be seeking admission into a second bachelor's degree program.

Before your financial aid eligibility can be determined, you and your academic advisor for your second bachelor's degree program must complete the form on the reverse side of this letter.

Students seeking a second bachelor's degree may be eligible for Oklahoma Resident Tuition Waivers (if available), Federal Stafford and Unsubsidized Stafford Loan programs, Federal PLUS Loan and the Federal Work-Study Program. The Federal Pell Grant, SEOG Grant, and Oklahoma Tuition Aid Grant are not available to second bachelor degree students. Second bachelor degree students are considered undergraduates for dependency status determination.

We will evaluate this form to determine your eligibility and contact you in writing. If this form is not received by the appropriate deadlines, or if you are not eligible for financial aid, be advised that you assume final responsibility for all charges to your Bursar account by enrolling in classes at The University of Oklahoma.

If you or your advisor have questions about completing this form, please contact our office. If you do not have (and/or will not have a bachelor's degree prior to July 1, 2021) please indicate that on the form and return it to this office.
