PROCEDURES

1. **PREPARE** your music thouroughly – use a metromone, tuner, and make an achievable practice schedule
2. Sign-up for an audition time online via the OU Bands website: bands.ou.edu
3. Complete an online audition form with contact information and any **UNCHANGEABLE** class conflicts* with a large ensemble.
    - *This is not an ensemble preference selection
    - **Wind Symphony roster was set by fall auditions. These auditions are for the winds and percussion sections of symphony band and orchestra. If you are not placed in either of those ensembles, you may enroll in one of the two campus bands.**
4. Email Franklin Piland if you have a conflict with the audition time.
5. Results will be posted on the band and orchestra bulletin boards throughout the week of the audition.
