

pathway to degree completion

ADMITTED TO OU

First-year students start their academic journey in University College. Depending on completed number of hours, transfer students may start in University College, AARC, or move directly into a DGC.

Students Who:

- have declared a major
- have completed two semesters in University College
- have met the entry requirements for a degree-granting college

Entry requirements vary for each degree granting college (DGC). Find more details on the OU General Catalog. A helpful guide on how to use the catalog is on this page.

Students Who:

- have 45 or more hours
- are exploring majors
- working toward entry requirements

Move to Academic Advising Resource Center (AARC)

Students Who:

- are undergraduate pre-health majors
