After Admission to the Undergraduate Portion of the ADP

- You must meet all requirements and [deadlines](#) for the master's degree outlined in the [Graduate College Bulletin](#).
- Work with your undergraduate college advisor and graduate liaison to complete the [Accelerated Degree Graduate Coursework Plan](#) form. This form is used to plan the hours that will count toward both the bachelor's and master's degrees.
 - Coursework completed prior to admission to the undergraduate portion of the ADP cannot be considered for shared coursework credit.

Applying to the Graduate Portion of the ADP

- Apply to the graduate portion before the final semester of the bachelor's degree by submitting the online [Addition or Change of Program](#) application through the Office of Graduate Admissions.
