Discussion Items

- Thesis and Dissertation Errata Policy
 - Dr. Sherri Irvin presented the Graduate College Thesis and Dissertation Errata Policy. This policy will provide a mechanism and process for publishing significant corrections to previously published theses and dissertations. As outlined in the policy language, examples of acceptable corrections would be significant errors in content that are discovered after submission of the document to SHAREOK, or to

excise proprietary or confidential information. Significant errors are defined as errors in information or attributions that change the meaning of the entire thesis or dissertation or of significant portions of the document. They are not stylistic or editorial changes that would normally be made as revisions to the document prior to the thesis or dissertation defense and that do not fundamentally change the meaning of any of the content. A motion to accept the draft policy as circulated was unanimously approved by the Graduate Council.

Reports

- Margaret Bourlon from OU Health Sciences Center reported on discussions related to faculty appointments and program reviews from the January HSC Graduate Council meeting.
- With no January Faculty Senate meeting, Dr. Dean Hougen, representative from Faculty Senate, had no new items to report. The next Faculty Senate meeting is February 14.
- Dr. James Sluss, Dean of the Tulsa Graduate College, reported that on February 18, Tulsa will be hosting the new chancellor at the Annual Northeastern Oklahoma Legislative Road Show.

The following course modifications and proposals have been approved by the Graduate Council and will be forwarded to the Provost's Office for further approval after the seven (7) day protest period. Only brief information regarding approved changes follows; however, original course change proposals will be on file in the Graduate College through the seven-day protest period if you have questions or concerns about any of the following. Please contact the Graduate Council Secretary, Laurie Hurley, at 405-325-3106, if you wish to review any of these materials.
