PLSP LSAT Preparation Scholarship

Open to all Pre-Law Scholars Program students in good standing, the LSAT Preparation Scholarship provides support for your LSAT preparation course. You choose your preferred preparation service (Kaplan, for example), pay out of pocket, and once the Honors College receives your proof of payment, you will receive up to \$1,000 deposited directly to your OU Bursar's account.

This is a one-time scholarship. Once awarded you are not eligible to apply again. It is highly advisable that you plan your LSAT program in a manner that best prepares you for the actual LSAT with this in mind. There is no deadline for this application.
