Annual Report of Degrees Conferred

Academic Year 2023-2024

This report provides information on the number of degrees conferred during an Academic Year. It contains summaries by major, department and college, that in turn provide detail by semester, level and gender. Most of the counts in this report are of degrees conferred, but because there are a few graduates each year who earn more than one degree, we also provide unduplicated headcounts of graduates for reference.

Annual Report of Degrees Conferred

Notes and Definitions

1. Unless otherwise stated, counts are of degrees conferred. Because a graduate may have earned more than one degree during an academic year, the degree counts are often larger than the number of degree recipients.
2. This report uses the official OU reporting definition of an academic year: Summer, Fall, and Spring. The degrees in this report are taken from a frozen file with the "snapshot" date of July 26, 2024.
3. This report includes degrees granted in all Norman Campus programs, which, in addition to Norman On-Campus, includes Norman Campus programs offered at OU-Tulsa and degrees offered through North America & Europe and Liberal Studies.
4. Students may graduate with a single degree but multiple majors. To give appropriate credit to all degree programs involved in degree completion, the "Summary by Major" table counts a degree under every major attached to it. For example, if a graduate earns a single bachelor's degree with majors in English and Psychology, the degree will be counted under the English major and under the Psychology major. While unusual, it is also possible for both majors to be in a single department, such as in the School of Music. For this reason, you should not add up the degree counts by major to come up with a departmental total.
5. Students may earn multiple degrees at multiple levels during the same academic year. An example of this would be someone who graduates from our accelerated bachelor's/master's of Accounting program. Their bachelor's degree will be in the bachelor's total, and their master's will be in the master's total. It is helpful to remember here that these are *degree* counts, not degree *recipient* counts.
