

Columns:

Level I	Degree as referenced in State Regents' policy
Level II	Degree as it appears in catalog or on diploma
Level III	Degree program (includes OSRHE program code and CIP code)
Level IV	Major: includes OU major code and program status with date program was approved, deleted/suspended or modified. CICS code is pre-Banner major code.
Level V	Concentration or track within the major
Online	OSRHE column checked indicates the program is 100% online; HLC column checked indicates 50% or more of the content can be delivered online.

All major and concentration codes begin with a letter whose categories are shown below:

Degree Levels

- B | bachelor's
- M | master's
