2013-2015	Applicants will be considered for admission using a holistic review and selection process which considers several factors that predict academic success (i.e., high school grade point average, high school course rigor, academic engagement, writing ability, leadership, and ACT/SAT scores). Although the University of Oklahoma is reviewing every application through the holistic process, it will continue to report the percentage of admitted and enrolled students subject to the alternative admissions standards and will not enroll more than 8% as dictated by Oklahoma State Regents for Higher Education. Through Spring 2016, the University of Oklahoma will offer admission to resident students who meet or exceed previous admission standards. The holistic process will determine whether a conditional, contractual, and time-limited admissions offer is made to these resident students.
