Notes: 1) Tulsa employees are included in Norman Campus and Health Sciences Center Campus counts.

2) The large changes in Health Sciences Center employees in Fall 2021 are due to the creation of OU Health, which is organizationally separate from the University. Many faculty and staff previously employed by the College of Medicine are now OU Health employees (decreasing those counts), while some clinical faculty now have part-time appointments to cover their teaching duties (increasing those counts).

Notes: 1) While International (nonresident alien) students also answer the two race/ethnicity questions, their answers are excluded from this area of reporting due to federal guidelines.

2) The US Department of Education's IPEDS system gathers enrollment information in a way that requires each student to be in a single race/ethnicity category to prevent a student being counted multiple times and inflating enrollment figure. To accommodate those students who picked more than one race/ethnicity, they are shown in official reporting counts in the "Two or More Races" category rather than in each individual category selected.

Notes: 1) While International (nonresident alien) students also answer the two race/ethnicity questions, their answers are excluded from this area of reporting due to federal guidelines.

2) The US Department of Education's IPEDS system gathers enrollment information in a way that requires each student to be in a single race/ethnicity category to prevent a student being counted multiple times and inflating enrollment figures. To accommodate those students who picked more than one race/ethnicity, they are show in official reporting counts in the "Two or More Races" category rather than in each individual category selected.
