^a Most OUHSC programs award semester hour credits representing an hour of class (lecture) or three hours of laboratory work each week for an academic semester. Programs awarding credit in clock hours (as reflected in the table above) have been converted to semester hour credits for ease of comparison (clock hours/30).

^b Full-Time Equivalent enrollment for Fall and Spring semesters is calculated by dividing Graduate and Professional enrollment credit hours by 12, the Undergraduate enrollment credit hours by 15. Full-Time Equivalent enrollment for Summer semesters is calculated by dividing enrollment credit hours for all levels by 6.
