THURSDAY, AUGUST 26
7:00 P.M. CST

[Register here](#) to attend this event

"These poets grapple with self-image and self-doubt as they lay bare their identities. Their poems capture the struggle between what we are told and what we believe about ourselves, what is imagined and what is real. They are alive with memory and anger and hope." -Sylvia Vardell, author of the ALA bestseller *Poetry Aloud Here* and co-editor of *The Poetry Friday Anthology* and *Poetry Friday Power Book* series
