OPEN MIC @ 6:30 - POETRY READING AT 7PM**

Julie Dawkins is a senior at Deer Creek High School. She is a percussionist in her high school band and engages with politics via her school's speech and debate team and the Oklahoma YMCA Youth and Government program. Julie has also participated in the Oklahoma Summer Arts Institute for creative writing. She is highly influenced by her surroundings, especially growing up in Oklahoma as a nonreligious liberal. Julie believes that poetry (and art in general) can change the world for the better, and she wants to be a part of that change however she can.
