OBJECTIVE

Acquire & complete a Petroleum Engineering internship during the summer.

EDUCATION

Bachelor of Science in Petroleum Engineering | May 2021

University of Oklahoma | Norman, OK, United States

Minor in Economics

GPA 3.8/4.0

Graduated from Jabir Bin Zaid High School | Muscat, Oman

RELATED EXPERIENCE

Undergraduate Research Assistant in IC3 lab

Mewbourne College of Earth and Energy | Norman, OK | 2019

Performed many petrophysical experiments like nuclear magnetic resonance (NMR), high pressure porosity (HPP), mercury injection capillary pressure (MICP), and Fourier-transform infrared spectroscopy (FTIR). Worked in coring last summer, as we received a big coring project. As well as other tasks like cleaning the laboratory, writing weekly inventories, and safety inspections.

SKILLS

- Leadership skills and experience in organizing different events developed from founding the Omani Student Association and being a Cabinet member in the SPE at the University of Oklahoma.
- Exposed to programming using Python language.
- Able to make electrical circuits and have an experience in welding, which helps understanding how machines work in the workplace.
- Have professional experience in photography and completed several courses in photography. Photography helps visualizing views from different perspectives, which is reflected also to problem solving.
- Emceed several formal occasions, including my own graduation celebration in my high school.
- Play chess, ping pong, and swim very well.
- Participated in national Karate competitions.

HONORS AND ACTIVITIES

- The New Student Liaison in the Society of Petroleum Engineering students at the University of Oklahoma.
- Attended SPE Annual Technical Conference and Exhibition in Canada | 2019.
- President's Honor Roll | Four semesters.
- Dean's Honor Roll | Three semesters.
- Founding member | Omani Student Association.
- Traveled to United Arab Emirates, Saudi Arabia, Bahrain, Qatar, Thailand, Iran, Tanzania, Canada and Turkey. Besides Oman and the United States.
- Practicing hiking and camping in the mountains and the desert in Oman, and in the mountains of Pennsylvania State in the United States.
- Enjoy trying new experiences, new cultures, new food, and being a part of any new venture.

WORK HISTORY

Taxi driver

Oman | 2017

Worked as a bus taxi driver within Muscat. Borrowed the bus from my grandfather and was working during my free time in my winter break.
