

Six reasons you should consider the Energy Management major

1. This major provides you with the skills to work and become a leader in all phases of the energy business.
 - Over 18% of EMGT/PLM graduates have become senior executives or owned their own company
 - Over 10% of EMGT/PLM graduates have become a President/CEO at a company
2. The uniqueness of the program is attributable to the cross campus collaboration incorporating classes from four of OU's strong energy-based colleges:
 - Price College of Business/Mewbourne College of Earth and Energy/College of Atmospheric and Geographic Science/College of Law
3. Internships are plentiful and a critical aspect of students' success, applying real world experiences with the program curriculum.
4. Energy industry experts teach core classes.
5. The Director brings a president/CEO perspective to students every day.
6. Largest and longest running EMGT program in the world.
