**CHANGING
LIVES**

Established in 2010, the **ARTHUR B. ADAMS SOCIETY** serves as a **network** of supporters who are greatly valued by the Dean of Price College. This loyal and supportive group of donors and key stakeholders is what makes us an **outstanding business school**, and there has never been a more exciting time to contribute to our students' successes.

Private support provides a **critical source** of expendable capital that allows the college to pursue its strategic goals. Price relies on this support to remain **competitive, flexible and innovative**. The Price College of Business includes Adams Society members in special university and college events, regional receptions, communications and other activities.
