DIGITAL TECHNOLOGIES ONLINE GRADUATE CERTIFICATE

Whether you're looking to upskill, pivot careers, or gain a competitive edge, the online Digital Technologies Graduate Certificate from the University of Oklahoma's Price College of Business equips you with essential expertise to thrive in today's tech-driven world.

1 FLEXIBLE ONLINE LEARNING

Designed for working professionals, our program features a blend of synchronous and asynchronous courses—giving you the structure you need and the freedom you want.

2 INDUSTRY-ALIGNED CURRICULUM

Dive deep into how information systems drive performance and deliver value. Learn how to analyze and design systems grounded in both business theory and technology practice through industry-aligned curriculum and courses.

3 IN-DEMAND SKILLS

With job growth in computer and IT fields projected to outpace most industries (U.S. Bureau of Labor Statistics), now is the perfect time to level up your qualifications.

4 LEARN FROM THE BEST

Our faculty are not only accomplished scholars but also respected industry veterans. They bring real-world insight, having consulted for global corporations and governmental agencies, and frequently speak at top-tier conferences worldwide.
