SUBJECT: Honorary Degrees Nominations **Deadline: March 15, 2024**

DATE: February 1, 2024

By action of the Oklahoma State Regents for Higher Education, the University of Oklahoma was authorized to confer honorary degrees for the first time in May 1991. Since then over 100 outstanding individuals have been honored at Commencement with this distinction, recognizing excellence and elevating the stature of the University.

The Honorary Degree Screening Committee will be meeting to review nominations and forward recommendations to President Harroz. The Chair of the Screening Committee alternates each year between the Norman and Health Sciences Center Provosts, and I am honored to serve as Chair for the May 2024 nominees.

We would welcome any nominations, utilizing the enclosed single-page form. Please send them to my office by email to [officeoftheprovost@ouhsc.edu](mailto:officeoftheprovost@ouhsc.edu) on or before **March 15, 2024**.

The University of Oklahoma Board of Regents has authorized honorary degrees to be awarded according to the policy and criteria enclosed with this memorandum, including the following:

- The University will award honorary degrees only in recognition of extraordinary achievement or in recognition of outstanding contributions to the welfare and/or enrichment of the University, State, nation, or world. A recipient may be any individual who has made outstanding contributions to a field or profession represented at the University.
- Nominations may be made by any individual, although no individual may nominate himself or herself.
- Honorary degrees shall not be conferred on any faculty member, administrator, or other official associated with the University before such individual has been separated from the institution for at least two years; nor awarded to any individual currently in state government.
- Honorary degrees will not be awarded in absentia unless extraordinary circumstances exist.
