SUBJECT: Provost’s Outstanding Academic Advisor Award  
Provost’s Outstanding Academic Advising Administrator Award, and  
Provost’s Outstanding New Academic Advisor Award

To recognize and reward outstanding performance by academic advisors, the Provost’s Outstanding Academic Advisor Award was established with Associates funds in spring 1991. Since that time, a select group of advisors, who have been recognized in their exceptional service to students at the University of Oklahoma, have been selected to receive the Provost’s Outstanding Academic Advisor Award. One award of \$3,000 is available.

The Provost’s Outstanding Academic Advising Administrator Award was established in 2009 to recognize and reward academic advising administrators who have demonstrated outstanding guidance and leadership in the management of advising centers within the academic advising community, as well as in the academic advising of undergraduate and/or graduate students. One award of \$3,000 is available.

The Provost’s Outstanding New Academic Advisor Award was established in 2007 to recognize and reward advisors working in the profession for less than two years who have demonstrated an initiative to master the qualities and practices of the profession. One award of \$1,000 is available.

I now seek your assistance in soliciting nominations for the 2024-2025 academic year. Attached are the procedures and nomination documents for each award. Please apprise faculty, staff, and students in your units about these awards and submit your nomination in PDF format to the [Advising Awards Dropbox](#) by **February 12, 2025**. The recipients will be recognized at the appropriate awards and honors ceremony in the spring.

If you have any questions about these awards, please contact Grey Allman at [greyallman@ou.edu](mailto:greyallman@ou.edu). Thank you for your assistance in recognizing our outstanding academic advisors and administrators.
