NOTES & REMINDERS

• UWC 2019 Winter Intersession Book Voucher: If you are enrolled in a 2019 Winter Intersession course, please fill out the form to request book voucher credit. The online form closes at 11:59pm on Monday, December 16th. If your course materials are not posted in the OU Bookstore, you will need to follow the usual Check Request/Reimbursement policies and email us your documentation (receipt/price verification screenshot + syllabus)

• UWC 2019 Winter Break Meal Plan: The online form to register for a winter break meal plan is now available. Please fill out all the days you will be in Norman so that the UWC Scholars office can arrange a meal plan for you. Please email us or stop by for any questions!

• Projects for Peace Summer 2020: If you are thinking about submitting a proposal for Summer 2020, it is strongly encouraged that you begin working on your proposal and contacting any project partners over the Winter Break.

• Traveling out of the US during winter? Don’t forget to bring your I-20 to ISS for a travel signature! ISS recommends you get a new travel signature if you will re-enter the US more than 6 months from your last travel signature. Use the online form on the ISS website. Contact us: uwcscholars@ou.edu

Winter Break 2019

Winter Break is rapidly approaching and many of you are planning for your intersession classes and your schedule for December 16th- January 13th.

Some new Winter Intersession courses have opened, including Macroeconomics, so if you are interested be sure to check availability!

The Residential Halls, Residential Colleges, Cross & Traditions Apartments will be open over the break, although the front desk/clubhouse may not be staffed the entire break. The university will be officially closed from December 24th- January 1st.

• TUW Thanksgiving Culture Night: TUW welcome all types of performances from songs and dances to poetry and martial arts; anything you want to share with the highly energized crowd! Thanksgiving dinner and a show! Headington College Dining Hall 6pm.

• Lincoln, Leadership and Innovation Course: Juniors and Seniors! Still looking for a Spring 2020 course? Consider this 1 credit hour ENGR 4510 course and develop your personal leadership philosophy in response to Lincoln's example of leadership, innovation/technology and personal development. This class is NOT limited to engineering students. See here for more information.
