

RESIDENT SCHOLARSHIPS

FOR FRESHMEN ENTERING FALL 2017

OU offers a variety of scholarships for admitted incoming freshmen based on criteria such as academics, leadership, community involvement, intended major, extracurricular interests, etc. Visit scholarships.ou.edu to explore other scholarship opportunities. In some cases, additional requirements such as essays, interviews, auditions and portfolios may be necessary. The list below represents general, university-centralized freshman scholarships and is not intended to be all-inclusive. Scholarship amounts are subject to change.

You must apply by December 15 to be considered for the academic and leadership/community involvement scholarships listed. If you apply by Dec. 15, academic merit-based scholarships are awarded on a rolling basis after admission. To be considered for leadership, community involvement and some departmental scholarships, submit your application and scholarship questions by Dec. 15. You are encouraged to apply for admission and scholarships early during your senior year of high school. Note that some scholarships may have earlier deadlines and some scholarship selection committees may begin awarding scholarships earlier. Applicants are also encouraged to retake the ACT and/or SAT through April 30 and send their seventh semester transcript for scholarship update consideration. When awarding scholarships, we will use a student's highest overall GPA and/or highest composite score from a single date on the national or residual tests taken before April 30 (except to qualify for the Oklahoma Academic Scholars Program, which allows students to take national exams through June). **Apply now at apply.ou.edu.**

ACADEMIC SCHOLARSHIPS

1: SAT = Evidence Based Reading and Writing plus Math (Essay score is excluded). Beginning in March 2016, the SAT changed its score scale. The new scale is used here. If you took the SAT before March 2016, visit link.ou.edu/satconcordance to convert your score for comparison purposes.

Awarded on a rolling basis throughout the academic year. You will be contacted directly if you receive an award. You can't receive more than one award. Please note, tuition waivers do not stack with these awards. A student will be offered the higher tuition waiver.
