

NON-RESIDENT SCHOLARSHIPS

FOR TRANSFER STUDENTS ENTERING 2017

The University of Oklahoma offers a variety of scholarships to admitted transfer students based on criteria such as academics, leadership, community involvement, and extracurricular activities. There are two main categories of scholarships for transfer students: academic and competitive scholarships. **Please note that for the purposes of these scholarships, you are only considered a transfer student if you have completed 24 college credit hours post high school graduation.**

The list below represents centralized scholarship programs for the Norman campus and is not intended to be all-inclusive. Visit scholarships.ou.edu to explore other scholarship opportunities. Scholarships awarded by individual departments have an application deadline of **February 1**. Apply for admission and scholarships at apply.ou.edu.

ACADEMIC SCHOLARSHIPS

Awarded over a two-year period to all transfer students who meet the academic criteria listed. Academic awards begin the semester you enroll and continue for four semesters. In order to be considered for these awards, students applying for the summer or fall term must **apply by March 1**. Students applying for the spring term must **apply by November 1**. These awards will not transfer to OU-Tulsa, OU Outreach, Continuing Education or Liberal Studies. If a student starts at the OU-Norman campus, these awards can be transferred to the OU Health Sciences Center.
