NATIONAL MERIT FINALIST PACKAGE FOR NON-RESIDENT STUDENTS ENTERING FALL 2025

TERMS OF SCHOLARSHIP

Please note: This is not the comprehensive Terms of Scholarship for the National Merit Finalist Scholarship Package at OU. More detailed terms are sent directly to students who choose to enroll at OU.

Institutions are not notified of students' standing in the National Merit Competition beyond Semifinalist. If you are named a Finalist and applied to OU by December 15, 2024, you must notify OU Admissions & Recruitment so we can update your scholarship offering to the Finalist package above. Receiving this finalist scholarship package is contingent upon you naming OU as your college choice with NMSC® by April 30, 2025. Students who do not advance to Finalist standing must also notify OU Admissions & Recruitment so that they may be considered for other awards.

If you are within the duration of your National Merit Finalist Scholarship tuition waiver and stipend and plan to apply either award towards an OU graduate program or an OU pre-professional program, you must contact OU Admissions and Recruitment to complete appropriate paperwork/determine eligibility. The OU graduate or OU pre-professional program must be consecutive to completion of undergraduate degree. Your National Merit Finalist Scholarship cannot be applied to any Oklahoma Scholar-Leadership Enrichment Program (OSLEP), distance learning courses, correspondence courses, independent study, non-reciprocal study abroad programs, and Professional and Continuing Studies programs both in undergraduate and/or graduate studies. Eligible students may take a leave of absence (LOA) for up to one year from the program for a period during which you are not enrolled in college courses. In order to be granted a LOA, students need to submit required documentation for approval. We will review LOA requests on a semester-by-semester basis. A LOA may not be used to remedy a grade point average or credit hour deficiency. The following are the amounts, duration, and criteria for maintaining eligibility for each part of your award:

- 100% of the non-resident tuition is waived, regardless of how many hours for which you enroll each semester (as long as you are full-time enrolled and complete at least 24 OU credit hours each academic year) for five consecutive academic years during the fall, spring, and summer semesters (starting fall 2025).
- Must maintain a cumulative GPA of 2.0 at the end of each academic semester.

The stipend is not automatic — you must fill out the appropriate paperwork. ACADEMIC PROBATIONARY PERIOD

- If a student's cumulative GPA and/or enrolled credit hours fall below the GPA or enrolled credit hours requirements for the tuition waiver and/or scholarship stipend, they will be notified by **OU Admissions & Recruitment** to receive a student success plan as detailed below.

During the paid probationary semester, the student must raise their cumulative GPA and/or hours enrolled to the minimum requirements to continue receiving their award. If the award minimums are not met, the student has one additional semester of probation (unpaid) to meet the minimum requirements. A student has a maximum of one year to meet the award requirements. If the minimum requirements are not met after one year of probation, the award is discontinued.
- **OU Cash Funding, National Merit Cash Stipend:** If a student falls below the minimum GPA and enrollment requirements, they will be placed on unpaid probation from receiving this portion of their award for up to one year. After a maximum of a one-year unpaid probationary period, this portion of the student's scholarship will be discontinued if award minimums are not met. At any point within the probationary year that award minimums are met, these portions of the award will be reinstated.

Institutional scholarships, combined with other federal, state, and/or institutional aid, should not exceed the published cost of attendance.
