

Sooner Scavenger Hunt

Clue #1: The President's office sits in this place
You can look at all the presidents straight in the face
There is also a big statue of a man sitting in a chair
See if you can find him; just don't touch his hair!

Clue #2: President Boyd arrived on a train
With a vision of spreading seeds across the plain
What possibilities is what he'd proclaim
Sowing wisdom was his aim.

Clue #3: Love me or love me not, if we kiss here,
We'll surely tie the knot
No chair makes me swoon
Quite like sitting in a spoon!

Clue #4: You can hear me go ring ring ring
Red with a door open to swing
Some try to see how many can fit
Inside this box, there is nowhere to sit.

Clue #5: Roses are red, violets are blue
Find out how much we like OU
It is a four letter word on the lawn,
The prettiest of pictures happen here at dawn.

Clue #6: You can find all of OU here in the Fall
To watch our Sooners play ball
Saturday is our favorite day
When the game goes our way.

Clue #7: With both eyes shut to hands behind hat
He is perfectly happy with where he is at
One foot in the air and one in the ground
The Fine Arts district is where he is found.

Clue #8: Two ponies pull while the RUF/NEKS ride
A message to Hurricane they failed to hide
While it used to be pulled through every end zone.
This icon now calls Clarke-Anderson home.
