

3 Point Shootout Rules (Two Ball)

Tournament Structure

- Tournament Play
 - Double Elimination Tournament
- Divisions
 - Women's Open
 - Men's Open
 - Men's Residential
 - Fraternity
 - Faculty/Staff
 - Co-Ed
- Games played at the Sarkeys Fitness Center

3 Point Shootout Information

- All participants must provide a valid OUID (with picture) prior to each contest.
 - No OU ID = No Play

The Game

1. The game is to be played by two teams comprised of two players.
2. Each team has a maximum of one varsity/club athlete.
3. The goal of each team is to make 10 three-pointers (5 by each player) before the opponent while shooting on the same basket.
4. Each team begins the game with their own ball.
5. To begin the game, one "rebounder" from each team needs to be underneath the rim, while each "shooter" will be standing behind the 3-point line in the nearest corner prepared to receive the pass from their teammate and begin shooting.
6. The rebounder's role is to rebound their teammate's ball after each make/miss and pass it back out for another shot.
7. The game begins by each rebounder tossing the ball off of the backboard and passing out to the shooter.
8. For each shot the shooter makes, they progress to the next spot along the 3-point line. Once the "shooter" makes a 3-pointer from each spot (both corners, both wings, top of the key), they switch roles with their teammate and become the rebounder.
9. The new shooter then repeats the previous shooter's spots in reverse order.
10. The team that completes all 10 spots the first is declared the winner.

Infractions

1. Participants may not interfere with an opponent trying to get a rebound, any passes between the opposing team, or the shooting motion of an opponent.
2. Shooters must respect the personal space of an opponent when shooting from the same spot.
3. Shooters must take shots with the intention of making the basket. Any throwing of the ball with the intention of disrupting an opponent's shot is prohibited.
 - a. **Intentionally committing any of these infractions will result in the immediate forfeit of the match by the offending team.**
