The Game

- 1) USGA Rules of Golf Apply. If you do not know the rule, have the group make the best ruling and keep the pace of play.
- 2) Each player tees off at each hole. The best of the tee shots is selected, and all players play their second shot from that spot. The better of the second shots is determined, and then all play their third shots from that spot, and so on until the ball is holed.
- 3) All members of the team must play the ball within one club length from the original ball, no closer to the hole.
- 4) If ball chosen lands in a bunker, all shots must come from the bunker.
- 5) Student teams play from the black tee, Faculty/Staff teams play from blue or black tee and women can choose to play from any tee.
- 6) Teams must complete each hole: no gimmies but double bogey (+2) is max score.
- 7) Every team will have their own scorecard.
- 8) No walking allowed as everyone has paid for and must use a cart to keep up with the pace of play. The pace of play will be 4 hours.
- 9) No more than three minutes can be used in searching for a ball.

For rules not specifically mentioned above refer to USGA Official Rules.
