Fall 2026

STATEMENT FROM ELECTION COMMISSIONER WANG

In chapter I-1 of the SGA Code Annotated, it is stated that “Every regularly enrolled student at the University of Oklahoma, Norman Campus, shall be a member of SGA.” While many believe involvement within SGA is limited to held positions, this is not the case. Every student within the body can let their voice be heard through these elections. We have an outstanding group of candidates vying for your vote this election season, and only you can decide who you believe will represent your concerns and impact our campus. More than this, each vote a candidate receives is a staple of trust and commitment that ties them to their constituents. I cannot encourage you enough to make your voice heard this fall, and I am incredibly grateful to join you all in this process.

Elections will be held on Thursday, October 29th, and Friday, October 30th. This election will consist of campus-wide voting to select the SGA President and Vice President, as well as Undergraduate Student Congress Representatives. All students can vote in the SGA Presidential election, but only students within a certain college may vote for the representatives in that college. Voting will take place on ENGAGE.

Best,
Andy Wang
