The Char announces that she had to choose between meeting on Valentine's Day or SuperBowl Sunday, and she hoped the body was alright with her choice. She also announces that if a Senator wishes to quit Senate, to please provide notification to her or the Vice Chair or the Secretary.

The Vice Chair, the Secretary, Academic Affairs and Development and Philanthropy have nothing to report.

External Affairs reports that they are continuing to investigate the exact usage of fees charged to students.

Human Diversity reports that they made recommendations on the Syrian resolution. The draft that they received was too late to provide substantial review, so it has been tabled for another two weeks.

Internal Affairs, Problems and Projects, Ways and Means, and Sustainability have nothing to report.

GS16-04 (Office Space Application Adjustment Act) is brought to the floor by Senator 100, seconded by Senator 11. It shifts the deadline for the Office Space to not coincide with the deadline for turning in a budget for primary funding. This change is made so that people can focus on one application at a time.

Senator 64 clarifies that the only thing that has changed is the due date (which has been moved to the week before Spring Break). The author affirms this.

Motion to pass by Unanimous consent made by Senator 97, seconded by Senator 40. The motion passes.

Motion to adjourn the meeting is made by Senator 20, seconded by Senator 89. The meeting is adjourned at 7:07.
