Committee Reports-

- Campus Outreach, Safety, and Concerns: I have a meeting with Kris Glenn from Parking Services on Wednesday. The light walk went well.
- Congressional Administration: We saw 3 bills and conducted two interviews. CB-102-21 received a recommendation of do pass. CR-102-09 received a recommendation of no recommendation. CB-102-22 received a recommendation of do pass. We also appointed 1 member to a representative seat, hopefully we will see a bill soon. The new representative is in the humanities district. Rolling applications for our empty seats are still open. We also talked about having a ParliPro event. More to come.
- External Affairs: We saw our voter registration resolution today. We are moving swiftly along with class speeches and registering students. Please take forms to classes to get students registered.
- Human Diversity: We still need people to sign up for the tabling on Monday, October 7th. Join us and the Gender and Equality center for an open mic night that same day. We are also continuing preparing for the “Know Your Rights” class.
- Sustainability: We saw bill CB-102-22 and gave it a recommendation of do pass. We are still continuing with all projects. We are posting publicity for the Food Justice Panel today. We are also looking into printing on recycled paper in the Conoco. I am also discussing logistics with Lauren Patton to change the OrgSync budget form to support environmental sustainability.
- University Policy: We went through everyone’s updates. Things are taking a little while because of the communications with other people. A new member of the committee is looking into the Student counselor ratio. We are also looking into an affordability guide for students; it would be like a course page to add on Canvas.
- Ways and Means: We saw Auxiliary 5 and we gave it a recommendation of do pass. Auxiliary 3 and 4 went to the Graduate Student Senate on Sunday. Gina and I are taking care of the budget form.
