UNDERGRADUATE STUDENT CONGRESS Session CII

General Body Meeting
7:00 pm, Tuesday, October 8th, 2019
Devon Hall 120

Roll Call -

Approval of Minutes

Chair's Report- Hey everyone! Sorry I couldn't make it to the meeting tonight. You're in good hands with Mahak and Savannah! Since everyone has been relatively well-acquainted with ParliPro at this time in the semester, I will be moving faster through the process. The main difference is that there will be a stricter order to seeing legislation. We will have author's explanation followed by questions as per usual, but if I don't see any hands when I ask if there are any more questions, I will close questions. Please do not raise your hand during this time to move to a roll call vote! After I close questions, we will automatically be in line for debate. I will ask if there shall be debate, and if debate is not called, then we are automatically in line for a roll call vote. Also, especially with this slightly different structure, I would like to stress the importance of reading the agenda before the meeting. If you have any questions about the legislation, they should be formed before the meeting starts so that by the time I close questions, everyone has asked everything they felt is important to know. I hope you all have a fun and productive meeting, and I will see you next week!

Vice Chair's Report-

Secretary's Report-

Committee Reports-

- **Campus Outreach, Safety, and Concerns:** Everyone in the committee is still working on projects from the suggestions box, including the sewage smell and air conditioning. We are also working on the old problems, projects, and puppies' event but it will need a new name. That will most likely be in the middle of November. We are also planning a transportation event.
- **Congressional Administration:** We saw CB-102-28 which is a Reflection Bill adding a moment of silence to our agenda and we gave it a rec of no rec.
- **External Affairs:** My committee discussing city ordinances and hospitals with Norman city council. We will be meeting with Carl Alberts Fellows on Tuesday to discuss the voter registration drives.
- **Human Diversity:** We put the finishing touches on events happening this week. Really exciting. The rest of us are still working on projects.
- **Sustainability:** There will be a trash walk on Sunday Oct 20th at 2:30 pm at Sutton Wilderness. Let me know if you are going so we can arrange to carpool. It will be super fun; the place is really pretty. We are also working with Big Event and CAC about recycling at their events and what the cost would be. Aspen is planning an event. She learned how to crochet out of plastic bag material. We are also looking into the lights at Cross since they are still on.

- University Policy: Emily is currently working on a mental health accommodation policy. There will be a special presentation during special orders. We are also sending out an OUMM survey on the meal voucher initiative.
- Ways and Means: I was out of town, so we didn't see any organizations. We are seeing the funding bill in committee of the whole instead.
