Committee Reports-

- Campus Outreach, Safety, and Concerns: We have been making pretty good progress on projects, especially with working on the building and finding out if they are ADA compliant. About half of the buildings on campus do not meet standards. We are also working on a project expanding opportunity for free child care on campus.
- Congressional Administration: We saw CB-102-35, originally named the THEM Act but there was a Friendly Amendment to change the name to include inclusivity. We gave this bill a Recommendation of Do Pass. We also saw CB-102-37 which is a constitutional amendment. There was a friendly amendment to change the name of the bill similar to the last one. Finally, we gave it a Recommendation of Do Pass. If we get a 2/3rd vote in the both houses, then this amendment will be on the general ballot next spring. We also continued to discuss other projects for the rest of the semester.
- External Affairs: We have a few upcoming events with Mayor Clark, the City Council, and a LGBTQ+ Forum with State Representative Kendra Horn. We will be sending this information out in the Congress GroupMe. We are also continuing to work on Higher-Ed day planning.
- Human Diversity: Thank you to everyone who came out to the International Bazaar. Please continue to spread the word about the International Friendsgiving event on November 19th.
- Sustainability: There was a trash walk in Saxon park which was beautiful. Hunter McCans showed up, that was nice of him! We also followed up on the Housing and Food reusable container program for dining services. We have to figure out funding for that. We are also continuing to work on healthy eating education. It is better for the environment and for the body.
- University Policy: All of our projects are going well. We finally had our meeting with Kris Glenn from Parking Services. They cannot change the time that parking gives tickets because that would create a \$120K deficit. But he said that we could look into extending bus services to 10 pm.
- Ways and Means: We did not meet this week. There was only 1 application, so we will be seeing Auxiliary 10 in committee of the whole by his lonesome. You guys will give it a recommendation. Also, auxiliary funding will close November 15th because that the last time before the end of Graduate Student Senate meets. If you are a liaison, please alert your club members!
