Committee Reports-

- **Campus Outreach, Safety, and Concerns:** executing plans for projects. ADA we still have 12 buildings left to review. 68% are not up to code. Meeting with DHS next Wednesday. Goddard inaccessible for international students. This might be because it is a small clinic for 30,000 students. We will be talking to admin about that problem. Survey for inclusivity resolution.
- **Congressional Administration:** Glad you all like our new appointees.
- **External Affairs:** Basically, met with Bloomberg campaign last week. We also met with the outreach director. One of the initiatives is working more with nonprofit. Jody was talking about the wounded warrior nonprofit.
- **Human Diversity:**
- **Sustainability:** We started class presentations last week. Presenting to freshman general education classes about the reusable container programs. Those have been going well. If anyone on the committees want to participate then let me know.
- **University Policy:** We are working on the same things. Ironing out details on parking things and bells to be quieter during finals week and mental health policy if they can improve it.
- **Ways and Means:** We saw auxiliary bill 14. We gave them a recommendation of do pass.
