**Chair's Report** – Hi everyone thanks you for coming. We are not seeing too many bills today, but we are seeing auxiliary 1 today. We will also make sure everyone is assigned to a committee. We also have the Red River Holiday Act excusing the Friday before the OU Texas game. Let me know if you have any questions or concerns. You can email me at [congress@ou.edu](mailto:congress@ou.edu).

**Vice Chair's Report** – Hi everyone! I am so happy to see everyone. Applications for congress close the 29<sup>th</sup> at 5pm. Interviews will take place this weekend. Pr applications are open now. Please apply so we can be best friends, because I know everyone wants that. Orientation is on September 8<sup>th</sup> at noon. We are still trying to work out all the logistics for orientation, but we will be going to hideaway after. I cannot wait to see you all there!

**Secretary's Report** – Hey guys! Sorry I'm panting I just ran from the Union. Anyway, just a reminder than congressional service hours will not be required for the month of August but starting in September, I will be counting those. Don't worry though there are a lot of events already in the works for you all to jump on.

**Committee Reports-**

- **Congressional Administration:** Application are out for associates and representatives. Those close Thursday at 5pm. Let people know before Thursday. Interviews are on Saturday. Committee members of conad have an obligation from 10 until we are done with the interview process. Interviews start at 12. There will be two hours for discussion of applicants beforehand. Reach out to me with general questions about the committee or code annotated. My email is [bouchmalachi@ou.edu](mailto:bouchmalachi@ou.edu)
- **External Affairs:** I am excited about the upcoming voter registration drives. Also, on August 29<sup>th</sup> there is a running for office forum from 11:30am -1:00pm hosted by the Norman chamber of commerce. Please attend!
- **Human Diversity:** Hi, this summer I spent time organizing and getting contacts. I have also been organizing some ideas for events on campus. I plan to make Human Diversity more

inclusive especially in regard to more than just race, including disability, LGBT groups, gender and other under representative groups.

- **Problems and Projects:** Hello, the committee is undergoing a period of evolution. In the past it has not been adept in solving problems. I have been working with the chair over the summer revamping the name and purpose of this committee. We will continue the same events but adding new ones including positive action day.
- **Sustainability:** Over the summer we organized a recycling awareness booth. We are also working on a long-term project: panel food justice as well as uproot recycling. There will be a trash walk in September, but I will be talking to committee members for the specific time. We also just heard of a new possible project called Edible landscaping. Soon we will be figuring out details for that as well. Always open to new ideas if you have them let me know.
- **University Policy:** I am super excited to get to know you. We are continuing some projects this year such as class evaluations and food recovery as well as training professors on mental health problems. I am open to hear more projects soon! I am also Looking forward to combining tasks with other committees and other departments in the University
- **Ways and Means:** I have been getting settled in. Monday 19<sup>th</sup> we opened auxiliary funding. We are going to see that tonight. I saw 14 organizations. All organizations did not receive primary funding. The total amounted in \$13,124.

DeAngeli: This is the bill regarding committee appointments. We interviewed everyone. We were all super impressed. Do you all have any questions?

McCans: What about the previous committee could you improve upon? What did the chair do wrong?

Gau: There were no specific issues regarding the previous chair of the committee, but there were areas that could be improved.

McCans: What specifically are you looking to improve?

Gau: I would love to improve Higher Ed Day by writing a specific bill to bring with us. Last time we attended there was no real goal. It ended up being more of an outing.

Schneider: After serving on the Congressional Administration Committee, what do you want to change?

Bouch: I want to serve as a parliamentarian. This is something we did not see a lot of in previous years. Caitlyn did not speak out as often when parli pro was used incorrectly. I want to advocate for parli pro.

Basically, Trey is in Ways and Means committee. That’s already covered. I hope you like where we put you all. Unless you specifically asked, they are all the same as last year.

Spangler-Day: Would you accept a friendly amendment that moves Spangler-Day from University Policy committee to Human Diversity committee?

DeAngeli: Yes.

Bouch: Would you accept a friendly amendment sticking Drew Barker from the committee listings?
