Motion to approve the minutes
Representative Heuser seconded by Representative Stormer

Chair's Report – Thank you for coming. We had a really great engaged meeting last week. Keep that up. When we do have guests please remember to be polite. I just have a couple things to say about Oklahoma Student Government Association, it is an organization to engage student leaders around Oklahoma. If you want more info, please talk to me or associate Glasgow. Registration deadline is February 14th.

Vice Chair's Report – Hey everyone! I hope you all are having a good night; I've decided to go ahead and cancel tonight's events since the weather is unfavorable. Orientation is February 9th, once again, new members are required to go but if an old member would like to come it will count as a constituent service hour. If you're interested in running for Vice Chair let me know! Headshots this week, see the GroupMe for more details, if this doesn't work for you, we can schedule another time.

Secretary's Report – Welcome back everyone! I hope you guys had a good week. Just one thing to go over today. If anyone wants to make any friendly amendments, you have to come up here and grab a friendly amendment sheet and fill it out and turn it into me as soon as its accepted. If you are interested in running for Secretary, please let me know!

Committee Reports-

- **Campus Outreach, Safety, and Concerns:** We didn't meet this Sunday, everyone was sick. We did talk, however about planning on meeting with Dr. Surrat about cooperation between SGA and student life center. We also have a parking appeals meeting. We are also booting up projects from last year.
- **Congressional Administration:** We had a long conversation about election reform. More to come on that. In the meantime, Hillis is going to present a piece of legislation regarding parking appeals board. Fixing "court" wording. We will be holding Interviews on Saturday from 12-5pm. Applications close this Thursday at 11:59pm. We added a Friendly Amendment to the Associate Defense Legislation and gave it a recommendation of do pass. The friendly changed the wording to "any associate". Rather than take out the section of the bylaws, it now would apply to specific associates. We tabled 2 appointments, executive branch asked us to. These included the Executive assistant and the legislative assistant decision. We gave all of them a recommendation of no

recommendation. We gave a recommendation of do pass to the liaison bill, and a recommendation of do pass to committee changes.

- **External Affairs:** We talked about Higher-Ed day. The date is set for February 11th. We made a spreadsheet with times to see senators, for people who want to go.
- **Human Diversity:** Next Monday Feb. 3rd, we will be pairing with the student democrats for a last-minute voter registration drive. We will be in the Union from 10am-2pm.
- **Sustainability:** We planned for meeting Monday for 2 people in housing and food to discuss reusable containers. We will be presenting our results from the survey to them. We received 400 survey results which was pretty good. We will be contacting Big Event and CAC to see if they are following through with things we talked about last year. Planning on doing healthy eating but tabling was not super effective, so we were thinking about a social media campaign, we just don't know how that would look. We also have a Trash walk scheduled February 16th.
- **University Policy:** We have appointed a new vice chair. Crispin. I have another meeting at 6:30 so he's going to be me when the meetings last long. We followed up on a mental health project from last semester. It was shot down by OU lawyers as a liability. We do have 2 different parking project ideas. Looking into regarding every type of parking pass being able to park at any spot over Christmas break or spring intersession. And then another one regarding the tags when you have to hang, getting rid of those making them more environmentally safe. We have another project regarding communication on the university.
- **Ways and Means:** We met today, saw 25 organizations. Gina has graciously said we can have the conference room from 3-5. Primary opens tomorrow! At 8am! Which means my life ends tomorrow at 8am. We gave auxiliary 13 a recommendation of do pass. Primary is the same process as auxiliary. You submit the same forms. Primary closes Feb 21st.

Liaison Reports

Tucker: Friday January 31st is the deadline for the Aster Review. Asterreview.com

Chism: There are lots of things coming out for Diversity and Inclusion. If you have questions, please let me know.

Special Orders

Sooner Freshman Council Report

Rust: One, I want to apologize for not coming in November. We are trying to set up more structured times throughout the semester. In January, we had Jacob Moser come and meet the students. He was aboard last semester so that was really cool. We had MLK day. And we also had Crimson Club come and speak. I wanted to offer an idea I had of me coming and showing what SFC has done campus wide. We want to show you where our alumni are at.

Spangler-Day: Is the name change on going?

Rust: Yes, with the transition to the next co-chairs, the four of us will be dealing with that. But it is going to be their situation, so we are giving them more agency. We are also talking to Executive Branch. Seeing what direction, they want to go in.

Items to Be Considered

Motion to see bill

Representative Harmon seconded by Representative Carmona

AB-103-03 Auxiliary Allocation 13 (Patton) (Ways and Means > Do Pass)

Patton: This is auxiliary funding 13. We gave out \$10,000 to 22 organizations. We should have \$60,000 left.

Motion to see bill

Representative Spangler-Day seconded by Representative Stormer

CB-103-12 Associate Defense Act (South) (Congressional Administration > Do Pass)

South: This is similar to the bill last week. It was amended in committee. Instead of deleting the entire motion to suspend privileges, it has been changed from automatic all associates, but specific associates. I will be asking for friendly amendments.

Bouch: Will you accept a friendly amendment adding me as sponsor?

South: Yes.

Chism: Would you accept a friendly amendment amending words “associates” to “associate”?

South: Yes

Lange: Would you accept these 2 friendly amendments you’ve asked for?

South: Yes.

Buxton: Did you consider changing the wording to include both associates and representatives?

South: We discussed that in committee. Chism gave a really good argument against it. She’s the only representative so if we enacted that we would essentially be silencing entire college.

Motion to see bill

Representative Harmon seconded by Representative Tucker

CB-103-14 Liaison Requirement Removal Act (Merchant) (Congressional Administration > Do Pass)

Merchant: Hi. This bill gets rid of liaison program. This program was codified too early. Plus there are better ways to serve the student body.

Tucker: Are we replacing this with anything?

Merchant: Yes. Big exec talked about a new plan. It will probably be multifaceted. Members will get a choice to how to get engaged. Congressional service requirements, events or presentations. Giving students that option is great.

Bouch: Do you feel like liaison was established too early?

Merchant: Yes, and that is why we are waiting to codify new plan. We are waiting to get new members to codify.

Buxton: There wasn’t a member of Russian club until I was in congress?

Merchant: That goes back to why I want to get rid of it. A lot of time there were liaisons who were a part of clubs they were already involved in. You should be acting on behalf of a liaison without the formal position.

South: Have there been any absences?

Merchant: Yes, and a lot of people have been getting excused. Not so much oversight.

Bouch: How is the liaison program advertised?

Merchant: They get an email about the program and how it could help with their ability to provide funding. Talked about the benefit of having a liaison and having additional resources

Bouch: send this as a mass email or individually?

Merchant: individually because it’s a mutual agreement. Everyone would have gotten liaisons.

Broadbent: What is the timeline on new program and what are we going to do in the meantime?

Merchant: A week or two maximum. We will have something new by the time new members come in to avoid confusion.

South: Since there have been absences, will those go away if this does?

Patterson: Absences will not be yielded.

Spangler-Day: It is safe to say anyone concerned about the liaison requirement disappearing they can act as a liaison?

Merchant: They can still serve without the title.

Harman: What is the difference between a congressional service and constituent service?

Merchant: We had both at one point. Constituent service was doing events but congressional was like an office hour.

Chism: Will you all let us know when you will be crafting this bill in committee meetings?

Merchant: Of course, if you all have any ideas, please reach out to me.

Buxton: Will the new plan make it a goal for SGA to make a presentation to every group?

Merchant: As close as we can.

Buxton: There are a lot of problems with communication?

Merchant: Times and means is an issue try to get there.

Motion to extend time for questioning by 2 minutes
Representative Spangler-Day seconded by Representative Carmona

Spangler-Day: How many RSOs are on campus?

Ahmadi: 552

Spangler-Day: It wouldn't be reasonable that each person in this body would have to have 10 RSOs to be liaisons for?

Merchant: Unreasonable.

Motion to see these bills in a block
Representative Chism seconded by Representative Buxton

CB-103-16 SGA Interior Cabinet Director Appointment Act of 2020 (Norris/Patterson) (Congressional Administration > No Rec)

CB-103-17 SGA Exterior Cabinet Co-Director Appointment Act of 2020 (Norris/Patterson) (Congressional Administration > No Rec)

CB-103-18 SGA Communications Cabinet Director Appointment Act of 2020 (Norris/Patterson) (Congressional Administration > No Rec)

CB-103-20 SGA Inclusivity Cabinet Director Appointment Act of 2020 (Norris/Patterson) (Congressional Administration > No Rec)

Emini: These are the people that we wanted to run our department. The application process was similar to the past administration's questions. We also looked over their resumes.

Norris: Alex Grey was appointed as director for interior, but she has the flu.

Carlo: I am a freshman here. I applied for Director of Inclusivity. I've been in spaces where inclusivity wasn't important. The rode to being inclusive is to understand different cultures and different groups. And I want to enhance this experience for students here on campus.

Castellano: I want to be the director of communications. I have a lot of experience with people and I will be using the platforms from the campaign. I want a more open line of communication with our platform.

Farzana: I applied to be the Director of Exterior. I was a member of the department of exterior. I know what we do as a cabinet and as a committee.

Motion to extend time for authors explanation by 2 minutes
Representative Buxton seconded by Representative Marvin

Hardt: I applied to be the co-director of the department of exterior. I vice chaired the external affair committees. I was chair for one great meeting. I thought it would be good for me to join them on their cabinet.

Norris (reading a statement from Alex Gray): Alex Gray applied to be executive branch to accomplish large goals with a small team. Exec branch has the opportunity to look closely at areas on campus that students want to change. I served in the exec branch under the department of interior. I know a lot about the ends and outs of the SGA. I was to be the department of interior director to help with infrastructure, including recycling for the Greek community.

Chism: How many of these candidates were on the campaign?

Norris: 2.

Buxton: Have you had personal experiences with diversity groups on campus?

Carlo: BSA and African American Student Organization.

Buxton: Do you have any people in mind that you are going to reach out to?

Carlo: I haven't reached out to anyone yet but I am working on it.

Norris: We have been talking with administration.

Harman: How many applicants did you have and what made your decision?

Norris: 26 applicants in total. Theses stood out because they had very forward-thinking ideas. Leadership skills stood out to us.

Lange: Are there any problems that you want to fix about the last administration?

Farzana: Yes, there were problems. Some planning for events were poorly organized. This was something that I told them, and I wanted to make these events more organized. Being more efficient with our time and organizations.

Motion to postpone by 1 week

Representative South seconded by Representative Broadbent

CB-103-21 It's On Us Chair Appointment Act of 2020 (Norris/Patterson) (Congressional Administration > No Rec)

Motion to see bill

Representative Harman seconded by Representative Chism

CB-103-22 An Act Amending Committee Membership for Session 103 (DeAngeli) (Congressional Administration > Do Pass)

DeAngeli: This is a bill amending committee membership to reflect new members and who resigned from congress. I have a list of friendly amendments. Adding Kordic to EA, Grebe to EA, Murdock to Upol, Shaw to COSCO. And then deleting Jori, Coen, and Cruz.

Mayes: Would you accept those friendlies?

Chism: Did the new representatives pick?

DeAngeli: All of the reps got one of their committee choices and only one didn't let me know at all. Carson Shaw on COSCO.

Follow-Up Reports

Bouch: Applications close this Thursday for congress. Interviews will be on Saturday Feb. 1st. 11:59pm

Items for Future Agenda

Broadbent: Resolution for Higher-Ed Day
