Devon Hall 120

Session CI

Roll Call – 8:23pm

Flag Salute – Representative Schneider

Chair's Report – Hello, I'm Tom Cassidy, and I'm the Chair of Congress. Come by my office hours and meet me! I will help you write bills and answer any questions that you have about Congress. We will have an Executive Session next week which includes No Confidence votes for the Mackenzie, Richard, and I. This is a time for us to present in front of the body and to be sure that we have done enough to keep these positions for the next semester. Next Tuesday is the Tuesday before Thanksgiving. Who would be willing to go a meeting next Tuesday? If we would have a healthy quorum that meeting would happen.

Vice Chair's Report – Hey! I'm Mackenzie, and I'm the Vice Chair. I do the liaison program, and I plan the orientation. I function as an overall Congress liaison to outside organizations and students. I also have eight office hours, and I am in the Conoco as well. Please come in any time to meet with me. If you are a new member, you have a name tag down here.

Secretary's Report – Hey, I'm Richard, and I'm the Secretary of Congress. I take care of everyone's attendance, and I just want to make sure that we are all communicating well and are all on the same page. If you ever have any questions about attendance or are having trouble with anything, please let me know and I will help you out!

Special Orders

- Swearing in of Newly Elected Members

Motion to move to Committee of the Whole

Representative Williams seconded by Representative McCans

- Committee of the Whole

CB-101-01 An Act Establishing Committee Membership for Session 101 (Cassidy)

Representative Williams seconded by Representative Patterson

Cassidy: When we adjourn sine die, all of our committees dissolve, so we need to re-establish committees for the rest of the semester. If you were already on a committee, I kept you on those committees. If you are new, I put you on the Problems and Projects Committee. They work on things like traffic issues, housing and food, the Crimson Cruisers program, and many other things. I decided to put almost everyone onto this new committee because it gives you the opportunity to do something quick at the end of the semester. If you have any questions about this, please let me know. At orientation next semester, you will preference a new committee and that will be your opportunity to switch committees. Most committees are in the process of finishing up their projects, so I want you all to be able to start your own projects.

Williams: There is no Communications Committee on this. Are we not having a Communications Committee?

Cassidy: They are not a committee, they are described in a different part of the Bylaws.

Kuketz: Would you accept a friendly amendment adding John Hiltonen to the Problems and Projects?

Cassidy: Yes

Motion to give this bill a rec of do pass

Representative Williams seconded by Representative Spangler-Day

Motion to move out of Committee of the Whole

Representative Patterson seconded by Representative McCans

Student Concerns

Begović: SoonerCard has been collaborating with the Apple Wallet to be able to use their Sooner Cards on their phones. They have not been trying to do this with Androids despite it being possible.

Chair: I'll have Problems and Projects look into that.

Hobson: There has been problems with the quality of the roads on College Ave and bikers and cars being in danger.

Chair: Problems and Projects can look into that as well.

Stack: Kaufman Hall has not had hot water for two years now, and many students would like to be able to wash their hands with hot water during the winter. I hear several complaints about this almost every day.

Chair: I'll have Problems and Projects look into this as well.

Items to Be Considered

CB-101-01 An Act Establishing Committee Membership for Session 101 (Cassidy) (COTW → rec of do pass)

Representative Bouch seconded by Representative Quick

Cassidy: You're probably wondering, why do we see this bill again? Bills have to be seen twice, once by a committee and once by the general body. This is the second time.

Quick: How do you pronounce the word require?

Cassidy: Requar

Maddy: Are the Vice Chairs and Secretaries of the different committees going to remain intact, or will they change?

Cassidy: The committee chairs decide that. Some of the committee chairs may change for next semester, and I know of three that will change, so this is an opportunity for people to apply for these positions again.

Passed by unanimous consent
