Chair's Report – I hope you all had a good Spring Break. We haven't met in a while, so I want to remind you about the elections next week on Tuesday and Thursday. If you are running for a position, good luck! If you are not, the Session switchover is on April 9th. If you have legislative business that you want to see before the Session ends, you should have that done by April 9th. When we switch into Session 102, we will do nominations for the Chair, Vice Chair, and Secretary positions. If you want to run for these, please talk to us about them. Nominations are at the end of that meeting and you have to be here to be nominated. You must be nominated and seconded by Representatives from Session 102. If the Representative's membership expires, they cannot do that. Make sure you talk to the people you want to do that and that they are comfortable with that. The next meeting are the elections, and the meeting after that is the final meeting of the semester. Next week there will be a person from City Council who wants to speak to us to give us a general update about the major issues in the city of Norman. There is a municipal election next week, so if you are registered to vote in Norman, check that out on April 2nd. If your committee has not met in the past two weeks, meet after the meeting tonight and catch up on everything.

Vice Chair's Report – The Implicit Bias Training is this weekend March 31st in the Scholar's Room in the Union. There will be food, and it will count for Congressional Service. This will be a good chance to get info from the GEC and learn about some things that you need to watch out for as a Representative. If you are interested in running for one of these Executive positions, please let me know, and I would be happy to talk to you about this position.

Secretary's Report – Hey everyone! Hope you all enjoyed your Spring Breaks. We are rounding out the end of the year quickly, so make sure to stay on top of absences. If you have to miss a meeting, please let me or your committee chairs know! Also, do not forget about your Congressional Service requirement for the month. Congress has a Bias Training on the 31st of the month, a perfect opportunity to complete this requirement. If you are unable to complete the requirement, you must let me know and provide an excuse before the last day of the month, barring an emergency. If you are interested in running for Secretary, please reach out to me as soon as possible so that we can meet and talk about it. I would love to see some of you run for this position because I know that many of you would be great at it.

Liaison Reports

Special Orders

- Executive Report from It's On Us
Hardin: My name is Hannah and I am the Chair of It's On Us. Our Week of Action is next week. We have a lot of events planned and we are really excited about them. Monday is an OUR Voice Training from 6:00pm-8:00pm. We want to see student leaders participate in this training so that people like Tom can be trained in OUR Voice and people could have someone they know that they could go to. You all represent students, so students knowing that they could speak to their representatives about that would be great. Tuesday, Wednesday, and Thursday will be tabling on the South Oval. We will be giving out resources for the GEC and potentially Planned Parenthood. We will have a survivor's writing session with Insomnia Cookies in Dale Hall. On Tuesday we have the Eat For Change benefit night at the Chipotle on 24th. Thursday we have a self-defense class that I recommend for freshmen especially. It is in the Walker Storm Shelter. An OUPD Lieutenant will be giving the training. I am going to send all of this information to the Executive members so that you will have access to it.
- Executive Report from Sooner Freshman Council
Norris: My name is Justin and I am one of the Co-Chairs for SFC. We are under the Executive Branch of SGA. We are trying to expose our students to other student leaders' perspectives. We connected them with faculty last semester, and this semester we have had Crimson Club, Camp Crimson, Congress, and last year's co-chairs come speak. The Oklahoma Group spoke one week, and last week we had an application and study session for those who have lots of deadlines coming up. Kate Stanton is speaking next Monday, and we are also planning a talent show. We may also host some other events. Jacob and I are planning our transition materials for the Co-Chairs for next year.
