Items for Future Agenda

Cramm: Emergency Allocation number three

Byron: Emergency funding revisions

Aragon: seal off the seal, if anyone wants to co sponsor that, we will ask to put chains around the seal so people don't walk on that anymore we are co authoring with GSS.

Skelton: What is GSS?

Aragon: They are our counterpart; they are actually supposed to have 100 members, so it is a much larger body than ours.

Byron: works like the senate and house

Skelton: Last year there was an option to buy SGA apparel will that be an option this year?

Bourland: Yes we are looking at having shirts soon and potentially fleeces

Searcy: are we going to be using a graphic designer or some type of contest?

Bourland: the former

A resolution requesting that spicy chik fil a be added to the chik fil a in the union

Aragon: referred to P&P

Byron: Items for future agenda is for legislation you want to write and see in the next week or two

Announcements and Comments

Bourland: so we are going to author that piece of legislation about the seal, in case some of you don't know what the situation is. It has been a long tradition to not walk on the seal at this University. Next week when you vote on a resolution requesting that the university put chains on that know that it is important, just be thinking about that. Every person in this room has a responsibility and a job to be informed.

Aragon: there will be a debate watch at seven in the Will Rogers Wed., don't forget about OU votes

Skelton: Is the fuzzys thing a normal thing

Aragon: It used to be at O'Connell's

Bourland: Would the vice chair be open to possibly moving that the Chimmys, being as happy hour is all day Tuesday

Byron: Yes

Skelton: Will both madam chair and vice chair take a picture with me after congress

Byron: Yes

George: I just want to clarify that the election chair is required to be here it's not a preference
