**Chair's Report-** Hey everyone! We have a short meeting... we're seeing Aux Funding #3. Filing is this week and closes the 14<sup>th</sup>. Come talk to me if you're at all confused or questioning. If you haven't gotten an e-mail from me, no need to file. SVA tailgate is coming up this weekend, and dead week reform passed, so if you see Daniel, Tim, or Kade, congratulate them. My office hours are changing every week, so expect update hours tomorrow. Please talk to me if you have questions!

**Vice Chair's Report-** Hey everyone! Please remain civil during this long meeting. Appointees and associates, you all have to file for your seat. You are not in the office for a full year.

**Secretary's Report-** Remember to do your Constituent Service and come sign in for your Office Hours. We've had a lot of people already knock out their Office Hour requirement, so keep it up. Please be sure to use OrgSync for Constituent Service, and let me know if there's an event that you want approved. Other than that, please be sure to notify me if you can't make a meeting. Midterms are upon us and I totally understand if you need to take a week off due to a study group or something similar. Just e-mail me so that I can excuse you.

**Committee Reports-**

- **Academic Affairs-** Texas still sucks!
- **Communications-** Hi everyone! I got in touch with ID Solution and we got the 3<sup>rd</sup> design! I turned in a form to licensing the other day to make sure that the designs are OK, which they should be. After that, I'll talk to Exec about when the link should be open. Cupcakes and Congress will be on the 25<sup>th</sup>, so lookout for a Doodle Poll.
- **Congressional Administration-** No Report

- **External Affairs-** We have an event on Friday, it's a voter registration drive. Please sign up for a shift, I'll be passing a sheet around. It is imperative that we have people sign up on the last day. At the last event, we had 20 applicants rejected due to poor form completion. Texas sucks.
- **Human Diversity-** No Report
- **Problems and Projects-** We didn't meet because Texas sucks.
- **Sustainability-** We didn't meet this week, and we'll be seeing SQ 777 next week. We may add some other questions about more SQ's and Texas sucks and also recycle.
- **Ways and Means-** We finished the questions for funding which will be going live in the next week, and we will be seeing the last piece of legislation under the old system tonight
