**Roll Call 7:00pm**

**Mission Statement**

**Moment of Silence**

**Approval of Minutes**

**Representative Nath seconded by Representative Smail**

**Chair's Report** - Compared to my last report this one is very short. There is not much updating to be done at the moment. I am super proud of everyone's hard work so far in this semester.

We have another joint committee tomorrow to talk space allocation. Again. Then I am meeting with people from different branches on Friday to discuss the communication director. Then later that Friday and early Saturday morning is the Big 12 conference. Virtually, yay I dont have to set a single foot in Waco. Baylor is hosting this year so I am excited to see what all they have planned. So far, Malachi, Crispin and I are going. So I and a couple other members of the body will have a pretty busy weekend.

Just a friendly reminder that if you want to submit legislation to me then I need to see a first draft on Wednesday of the week you want to see it in committee. If I am seeing your first draft at 2pm on Thursday there is almost no chance of it getting on the agenda.

I also have information about the Oklahoma student government association

The OSGA is the statewide organization that represents all college and university students in the State of Oklahoma. The organization strives to bring student leaders from across the state together to discuss the important issues of the day and advocate to the State Regents and the Oklahoma Legislature. This year OSGA will be having its Fall Congress on November 6th and 7th. Congress will be held over Zoom this year. Congress sessions will be held throughout the day.

It is important that OU sends a delegation to Congress this year, to show the rest of the higher education institutions in our state that the students of OU are invested in working with other Student Governments. Involvement in OSGA is a great way to meet new people, network with other students, learn new ideas, and help write & pass legislation that will help our fellow students across the state. More information, such as times and Zoom info, will come later this week.

If you have any interest in going to Fall Congress please let me know and I will make sure to forward your names to the right people!

**Vice Chair's Report** – I'm in quarantine now, so I don't have access to the software for graphics that I use in the office computer. Also we have a color scheme so that the graphic you design can

**Secretary's Report** – I emailed all the committee secretaries this afternoon about meetings, so if y'all could get back to me just whenever you have the chance regarding availability, that would be great – I'm really excited to chat again! As always, I will remind you to please fill out the constituent service hour form so that I don't have to issue absences! I'll send it out at the end of this week, and then I'll send it out a couple times the last week of October so I can make sure that everyone has access to it.

#### **Committee Reports-**

- **Campus Outreach, Safety, and Concerns:** We have updates on projects. Thanks to everyone who signed up for the Light Walk. I think we have 8 people now. I'll send the sheet again. Tell your RSOs and constituents about elections and suggestion box. The presidential elections get hype but rep seats are important too. For COSCO, we talked to Kris Glenn, the Parking Director. He suggested to do turn up for transit next semester. We're collecting info for childcare. Gym survey looks good, sending it to George. Golf carts are on hold because of COVID. We'll look at it when people are more willing to talk about that again. HD Chair Harman and some members are talking about the international student involvement and we're hoping to get a meeting or event scheduled between Congress and international students. We're looking at lights in buildings. I had a concern about Adobe. I talked to OU IT. When we went online last semester, our OU emails gave us licensing. If you want access after we go on break you have to talk to your individual professors to make sure they have a plan with licensing things. We saw our first bill this semester about Light Walks in the Bylaws. Rec of do pass in COSCO, seeing it on Sunday in ConAd.
- **Congressional Administration:** Not at ConAd this weekend, at initiation. VC Ownby did amazing. We saw CB-104-05 and -06. Farewell OrgSync and Bye-Bye OrgSync. Next week Mandatory COSCO Light Walk and elections as well. Code Club at 3:30 if you want to come. Also talking about communications director bill. Bailey and I are appointing an ex officio elections officer this weekend.
- **External Affairs:** Two weeks till the election day. Request absentee ballot by today to get it in in time. Call me if you need help. Return the ballot by mail and has to be received by election board by 7pm on Election Day. In person, by November 2<sup>nd</sup> at 5pm. Ballot in person, you have to have ID with you and you have to do it yourself. Cleveland County Fairgrounds early voting. Nov 3 election day. Check OK Voter Portal to see where your polling place is. Exciting announcements, presidential voting guide almost done. Giovanna made a video saying why it's important to international students that American students vote.
- **Human Diversity:** Project updates. Newsletter creating for students. Stormer and Smith mentioned subsection ideas like recommendations and implicit bias. Also collab with Susty potentially. Friendsgiving, Nov 19, Thursday. HD on location from 12-9 to bring food, warm it up, have students pick it up. Different process due to COVID. In touch with Lauren Miller and Hunter McCans. Garg and I talked last night about Goddard counsellors training and certifications. Legislation in November with multicultural organizations. American Indian and Alaskan Native Heritage Month. Tomorrow is international pronouns day 2020. Referring to people by their pronouns protects their dignity. We should put our pronouns on our social media and on our Zoom. Just having those we can be inclusive to everyone in each community.
- **Sustainability:** 4 mile trash walk at Lake Thunderbird. I appreciate everyone who helped with that. Projects with on campus lighting. Campus plastic use and recycling. Intersection of public health and sustainability. Piece of legislation investigating environmental commitments and encouraging more commitments. We'll likely put on another trash walk or instead a collab light walk. Still developing that with COSCO.
- **University Policy:** We gave CR-104-14 pass/no pass rec of do pass. Mental health, title 9, and reaching out to BERT are in coordination with those contacts. Library hours project, talked to library and it's not feasible to keep it open till 2am due to staffing and low demand. Shifting that to finding more study spaces on campus.
- **Ways and Means:** Saw 1 organization and they're on the agenda for aux 6.

## **Liaison Reports**

Nath: Saturday, we had the Little Event. Thanks to everyone who volunteered. Each job site was sad that we had to leave so soon. Big Event next semester.

Marvin: PRSSA hosting Zoom resume workshop. Digital copy of resume, 20 minute sessions. Ad club. Also donations for St. Jude, biggest fundraiser all year, helps kids at the hospital. I'll send all these in the groupme.  
Tucker:

Kerr: College Dems, phone banking tomorrow with bingo to motivate you through it. Training at the beginning, flier in the groupme.

Giesteira: This Friday at 6:30, the Brazilian student org is hosting an event on conditions of Brazilian student since COVID started. I'll put the IG in the chat so you can sign up.

Buxton: MLLL Student Advisory Council meeting soon. Any concerns about your language or foreign lit classes, let me or Dobson know and we'll pass those alone.

## **Special Orders**

### **Student Concerns**

Marvin: Bike theft on campus is an issue, talk to OUPD or anyone to help with cameras or lights to lower bike theft on campus. COSCO is taking it on.

Broadbent: Concern from AISA. Emails from students in a journalism class about interviews about our culture. A lot of those have not been respectful to our culture.

Patterson: HD, and we can talk about it too.

### **Old Business**

#### **Items to Be Considered**

#### **CR-104-14 Pass/No Pass Policy Recommendation of 2020 (South) (Exec, Do Pass)**

#### **Representative Hillis seconded by Representative Bryant**

South: Good evening everyone, thank you all for being here! As you all know, this is CR-104-14, the Pass/No Pass policy recommendation of 2020. Before I get to the specifics of the resolution, I'd like to make the body aware of what their fellow students are going through this semester. As I'm sure all of you are aware, a petition has been circulating calling for the implementation of a Pass/No Pass grading option for this semester. Nearly 3,400 people have signed this petition, and several have shared their stories in the comments of the petition, and I'd like to read a few of those to you all.

One student said "Most professors and students are not properly equipped for a still-sudden shift to nearly-all online work. Simply because students had a couple months (during a nationwide crisis) to notice that certain classes will be online does not mean they were magically able to be more prepared. Not only has the pandemic worsened, but the strenuous nature of the virus has stretched students thin in terms of their time and in terms of their health. This pandemic is not what I am capable of. This pandemic is an example of what I can do when my mental and physical health is pushed past its limit, NOT what I can do as a healthy and focused student. To ignore the concerns of students and write this off is to essentially let us drown in our own nightmares." Another student was more concise, saying simply "one does not simply learn advanced mathematics on a zoom chat." A senior wrote in saying "I'm a single mom homeschooling a small child, can we not tank my GPA my senior year?"

There are students across this campus who are suffering academic harm through no fault of their own. Personally, I believe that telling students to suck it up deal with hurt GPA's, poor mental health, and a global pandemic is unbelievably cruel. That's why this resolution is here today. This resolution calls for the same policy as last semester to be adopted with an exception. After talking with the faculty senate and studying the plans of other universities that are adopting Pass/No Pass policies, we determined that it could be more harmful to students to allow D's as passing grades, so the threshold this semester would be moved to a C. Other than that, we are advocating for the same policy as last semester.

### **Ext 3min**

#### **Representative Buxton seconded by Representative Harman**

South: Finally, I'll need the following friendly amendments: Adding a section after section 3 saying: Students should be aware that in order to qualify for the President's and Dean's Honor rolls, they must retain a minimum of 12 letter graded credit hours. Undergraduate Students should also consider the consequences of opting in to a pass/no pass system with regard to graduate school applications, as some graduate schools will not accept pass/no pass grades and appeal processes to reverse the decision are cumbersome and not guaranteed. Before making a decision, Veteran students and dependents should consult the Veterans Affairs office to determine potential effects on tuition, fees, and housing stipends. FA adding Savannah Patterson as a Co-Author, and adding anyone who wants to be a co-sponsor as a co-sponsor.

Buxton: Thought about adding statements in authors ex into a whereas clause?

South: Not thought about that. Whereas sections already lengthy and already covered in what we said. Privacy reasons as well.

Buxton: FA adding a co-sponsors list to legislation?

South: Yes.

Nath: Does it apply to fall? Or also into intersession?

South: Not intersession, however this has not been a main point of conversation with the Faculty Senate, open to discussion.

Thomas: Giving students to pass a class lowers academic standards?

South: No. Policy last and this semester is designed to help students trying their best in classes but are overwhelmed. More people in that situation will use it. People are still trying their hardest and giving them the option allows them to keep an A.

Thomas: Any other similarly sized universities passed this policy yet?

South: Yes. UC Irvine and University of Southern California have similar policies. Petitions at OSU, Texas A&M.

Buxton: FA adding a section after section 3 with 12 credit hours, grad school, veterans should consult VA office. Also Patterson and Buxton as co-authors.

### CB-104-05 Farewell OrgSync Act of 2020 (Hillis/Halsey-Kraus) (ConAd, Do Pass)

#### **Representative Broadbent seconded by Representative Stormer**

Halsey-Kraus: Over the summer, SGA changed RSO management platforms from OrgSync to ENGAGE. Therefore, the Code needs to be annotated.

Harman: How many times is OrgSync mentioned in the Code?

Hillis: a lot.

### CB-104-06 Bye-Bye OrgSync Act of 2020 (Hillis/Nath) (ConAd, Do Pass)

#### **Representative Douglas seconded by Representative Lynskey**

Nath: Halsey-Kraus went over everything. It's the same thing, but this changes the Bylaws. The Bylaws mentioned OrgSync once and that's what we're changing.

Broadbent: Hillis, is OrgSync anywhere in the Constitution?

Hillis: No.

### AB-104-08 Auxiliary Allocation Act 6 of 2020-2021) (Patton) (WAM, Do Pass)

#### **Representative Smail seconded by Representative Chenevey**

Patton: Hi. This is aux 6. Only had 1 application we were able to fund. The other asked for t-shirts and we do not fund t-shirts! Only Asian American Student Association and gave them \$2400.

Broadbent: How much did they request?

Patton: We gave them about half. \$4805. That's a \$3000 increase based on last year.

Broadbent: What didn't you fund?

Patton: For a food fair, one event. Funded half of it.

Harman: What's the other organization not funded?

Patton: Pre-Medical Professions Club.

Harman: Were they informed about why?

Patton: Yes, I said we don't fund t-shirts. It's on the application.

Patterson: How many aux applications do we have pending?

Patton: Around 10.

## **Follow-Up Reports**

### **Items for Future Agenda**

### **Announcements and Comments**

Harman: Please send the link Mahak dropped to your RSOs. We only had 3 last I heard. It's a wonderful product drive, we're pairing with the GEC.

Broadbent: Attended Multicultural Programs and Services Retreat over the weekend. One section was advocacy. I'm going to ask kindly to not participate in Big 12 with Baylor participating. Policies against LGBTQ+ individuals, this doesn't represent our values. It should be my job to go to this meeting this weekend. I will not participate in something hosted by Baylor.

Nath: Panel on racism and xenophobia. Students will talk about their experience in academia. October 30<sup>th</sup> from 6-8pm, Zoom option, sending it in the group.

Patterson: Give a round of applause to South who worked so hard for weeks. First person I know of who got a meeting with Faculty Senate, it's super important for students.

Marvin: I went to OSGA in the spring and wrote legislation for OSGA. Last semester, if you're going to OSGA, we want to see it or talk about it in the body. We want a consensus in our own body to represent OU SGA in general. I enjoyed it. OCU and UCO have a huge turnout every year. I'd love for us to get involved in that. I want to support other Oklahoman universities.

South: I appreciate the love. Shoutout to Malachi and Dalton for the help on this. Jamie Archambeau is the one who started the petition, in ROTC with me. Without that we wouldn't be in the place we are now to advocate for this. Has the potential to really do a lot of good for students.

Buxton: I also just contacted Foster about codifying us seeing OSGA legislation. Reach out to me if you're planning on going to OSGA, I'd love to hear your thoughts.

GRADUATE STUDENT SENATE  
SENATE SESSION **GFXX/GSXX**  
**Month DD, YYYY**

CONGRESSIONAL RESOLUTION CR-104-14  
SENATE RESOLUTION NO. **GFXX-XX/GSXX-XX**

AS INTRODUCED

A Concurrent Resolution recommending the University of Oklahoma adopt policy for the Fall 2020 Semester; and providing for distribution.

- Whereas: The ongoing COVID-19 Pandemic poses unique risks and challenges which have significantly altered higher education;
- Whereas: On October 6, 2020 the University of Oklahoma announced a transition to all online classes for the three weeks remaining after Thanksgiving Break;
- Whereas: The University of Oklahoma adopted a policy in Spring 2020 which allowed classes to be graded on a Pass/No Pass basis;
- Whereas: The Pass/No Pass policy for the Spring 2020 Semester was put in place to mitigate academic harms that occurred due to the COVID-19 Pandemic and its ramifications, all of which are entirely out of the direct control of individual students;
- Whereas: Students across all Academic Districts have experienced and continue to experience academic harm due to the COVID-19 Pandemic;
- Whereas: Students have been forced to take on additional non-academic responsibilities, such as childcare, job searches, and working more to meet financial needs;
- Whereas: Students have individually reported poor mental health as a result of the COVID-19 Pandemic, consistent with expert expectations regarding mental health;<sup>1</sup>
- Whereas: The aforementioned challenges, along with an online learning environment which is new to students and faculty alike, have produced a fundamentally altered academic experience;

Whereas: A recent student petition calling for a Pass/No Pass option has gathered over two thousand nine hundred signatures as of October 11, 2020;<sup>2</sup>

Whereas: Determined in consultation with the Faculty Senate, A Pass/No Pass option where a letter grade of D is considered a Pass may do more harm than good for the academic careers of students, particularly in classes considered as prerequisites for other classes;

Whereas: A Pass/No Pass option where a C or greater is considered passing will still offer students some academic relief, mitigating COVID-19 related harms outside of their control;

Whereas: The University of Oklahoma has the opportunity to be a leader among Universities across the nation in adopting a Pass/No Pass option for the Fall 2020 semester.

BE IT RESOLVED BY THE UNIVERSITY OF OKLAHOMA UNDERGRADUATE STUDENT CONGRESS AND THE GRADUATE STUDENT SENATE, CONCURRING THEREIN THAT:

**Section 1:** Title: This resolution shall be known and may be cited as the “Pass/No Pass Policy Recommendation of 2020.”

**Section 2:** The University of Oklahoma Student Government Association recommends that the University of Oklahoma adopt a Pass/No Pass grading policy for the Fall 2020 semester.

**Section 3:** Such a policy ought to be identical to the Spring 2020 Pass/No Pass policy for sake of consistency, with the single exception that at the Undergraduate level, all grades of C or higher be convertible to a Pass, while grades of D or lower be convertible to a No Pass.

**Section 4:** Students should be aware that in order to qualify for the President’s and Dean’s Honor rolls, they must retain a minimum of 12 letter graded credit hours. Undergraduate Students should also consider the consequences of opting in to a pass/no pass system with regard to graduate school applications, as some graduate schools will not accept pass/no pass grades and appeal processes to reverse the decision are cumbersome and not guaranteed. Before making a decision, Veteran students and dependents should consult the Veterans Affairs office to determine potential effects on tuition, fees, and housing stipends.

**Section 5:** Copies of this resolution will be sent to:

- President Joe Harroz, Jr.
- Interim Provost Jill Irvine
- The University of Oklahoma Board of Regents
