**Officer Reports -**

- **Chair's Report:** Good evening everyone I hope your week has been good so far. I am sorry if I am not as energetic as usual it has been a long day. NVRD was today and I am so proud of EA and all of our lovely congress members who partnered with Oklahoma votes to put on this special event. The numbers are out, and we registered 223 new voters today so great job to everyone. We also have some registration forms up front if you would like to register to vote or change the location of where you can vote. As far as other updates go snacks should be coming soon for committee meetings that is in the works right now. If you write legislation, please submit it on Engage by Wednesday and other than that I hope you have a great rest of your week and if you need anything don't hesitate to reach out or visit my office hours.
- **Vice Chair's Report:** Hello everyone, I also tabled today, and it was amazing! Orientation was Sunday and it went great, if you have any questions, please let me know. I will send out the PR form one more time and will be letting those know who a part of the committee is! If you have any questions about the constituent service point, or the tracking please let me know so I can get back to you. We will announce congress member of the month next week. Secretary Amelia and I attended the COSA leadership conference so if you have any questions about what we learned let me know.
- **Secretary's Report:** First I want to say how proud I am of Vice Chair Trautman for her hard work on orientation. I know a lot of you all didn't have to be there but it was truly in my opinion the best orientation we've had in a while. Otherwise, I don't have much else

besides thanking you all for continuing to put effort into this organization. We put a lot of time into Congress and I am appreciative of your commitment in return!

### **Committee Reports-**

- **Campus Outreach, Safety, and Concerns:** Hello everyone! COSCO ended up meeting unofficially last weekend. I do want to thank everyone that showed up to represent our committee for our new members. Having familiar faces is so important. For our new members, welcome! If anyone here is in COSCO that has not yet joined GroupMe through my e-mail, please do when you get the opportunity. We did not cover much last weekend; we mainly discussed the important things: snacks and the suggestion box. That is all. Thank you!
- **Congressional Administration:** Hi ConAd did not meet officially this past Sunday since we didn't have any legislation to see. ConAd will be meeting this Sunday – we had to change our meeting times back to Sunday – to see appointments. We will have our members complete implicit bias training before Friday for those appointments, if you have any questions about the training, please come ask me. Thank you to our committee for being patient with me. The reapplication form will be open on Friday. Remember that is for members of the body not those outside.
- **External Affairs:** Hi I'm the secretary but the chair and vice chair couldn't be here, they do apologize. National Voter Registration Day was a success! Thanks to all who came out. EA met unofficially on Sunday, and we welcomed 4 new members. We are now working on candidate forums and infographics, and we will meet next Sunday in Price 3030.
- **Human Diversity:** Hello everyone! HD met officially on Sunday to discuss projects and ideas for the semester. We are working on getting multiple projects started right now so I'll have more info soon.
- **Sustainability:** Susty had its first official meeting of the semester on Sunday. We just discussed future project ideas for our new members at orientation.
- **University Policy:** UPol met unofficially we talked about projects and welcomed new members. I got in touch with someone about the water filters and that's being handled by maintenance. We also reached out about parking.
- **Ways and Means:** Hello I'm standing in for Demetri. We met officially on Sunday and say AUX 2 which is two weeks work of funding. Feel free to ask questions when that bill is presented.

#### **Announcements and Comments**

- **Haskins**: We will be having a Light Walk this Sunday. Get your constituent service point!
- **Kathuria**: The committee for ClassNav and affordability met last Friday and I got the chance to fight for you. We have a major victory. Next semester we will have a zero cost label on ClassNav and we are working on a low cost label threshold. I would love advice from some of you. I also brought up that some people are buying iClicker and TopHat for classes. We need transparency. We also need to include in the cost of classes these items. Let's also encourage professors to learn how to better use Canvas.
- **Lewis**: For all the new members, if you need help with reserving a space for projects, we are always a resource available to you. Stop by our office hours we would love to know you personally.
