900311 A Resolution Concerning Huffman Center Renovations (Montgomery)(No Rec- Exec)

Naqvi sec Wood

Montgomery: requesting that we look further into renovating the Huffman Center, especially with each freshmen class increasing in number. Last year we had a referendum asking whether students wanted to see renovation to the Huffman Center. There are no solid plans in place yet.

Petersen: freshman enrollment beats record highs?

Montgomery: past 4000 students a year

Bryant: more or less how would this be paid for?

Montgomery: probably wouldn't raise student fees but would use the fees to pay for the renovation, also include private investors

Weiss: would the huff be usable during renovations?

Montgomery: not sure

Petersen: voter turnout for the referendum

Montgomery: more or less 1100 students

Passed by hand vote, more or less 27-4
