900317 Bylaws Changes Bill of 2013 (Montgomery) (No Rec- ConAd)

**Petersen sec Bourland**

Montgomery: we are seeing this bill after it got sent back to ConAd. There are a few changes including impeachment only for paid officers with better wording for the removal of committee chairs. Changing the wording for the elections, these are now the responsibility of the election chair rather than the outgoing officers.

Petersen: friendly amendment for wording regarding election chair

Carlough: using SGA property

Montgomery: someone used the SGA email account to ask for votes

**Passed by roll call vote 21-0-3**

900319 A Resolution Regarding a Sidewalk to Lloyd Noble (Tsagli) (Do Pass-P&P)

**Bourland sec Przebinda**

Tsagli: the path to Lloyd noble is muddy and already has a clear track

Carlough: have you talked to landscaping and grounds, who would fund the sidewalk?

Tsagli: talked to many people about the sidewalk projects, not sure who will pay for it

Carlough: have you talked to the student activity fee reserve fund committee for funding?

Tsagli:

Sample: will it have to be contracted out?

Tsagli: unsure, it was difficult to get information

**Consent w/out objection**

900320 EPF Resolution (Berry) (Do Pass- P&P)

**Bourland sec Pascoe**

Berry: P.E. majors must use a lab in the building but we do not have access. Often the building is locked and we need to wait for someone to open the door.

Carlough: how many students are affected?

Berry: about a hundred

**Consent w/out objection**

900603 Fall 2013 Special Election Act (Mukherjee) (Do pass- Exec)

**Naqvi sec Bourland**

Mukherjee: tentative date for the special election is next Monday.

Carlough: what happened?

Mukherjee: someone was placed in the wrong district

Petersen: why only computer labs?

Mukherjee: small numbers actually vote

Carlough: who's fault was the clerical error?

Mukherjee: me but the major was placed in the wrong district

Carlough: when can we see a report regarding the clickers?

Mukherjee: I can add it

**Consent w/out objection**

900709 Emergency Allocation #8 (Naqvi) (Do pass-WAM)

**Bourland sec Petersen**

Naqvi: very last emergency allocation of the semester. 3 applied but only 2 showed up for interviews.

Bourland: how much did gender equality ask for?

Naqvi: over \$600, mostly for posters and events.

Carlough: computer science club did not get funding previously?

Naqvi: there was an error that occurred during the subsidiary process. We all agreed that this was the correct amount to give them based on student outreach .

- Whereas: It is the duty of Undergraduate Student Congress to bring to the University's attention any issues that affect the daily lives of the students of the university; and
