

**Fraternity & Sorority Programs and Services Mandatory Educational Sessions**

*Spring 2025 Semester*

As mandated by the University of Oklahoma and Fraternity and Sorority Programs and Services, **all new members** of Greek organizations must attend three educational sessions over the following topics: hazing education and reporting information, alcohol and other drugs training, and the Consent Conversation 2.0.

These sessions will be presented at the following times for the Spring 2025 semester. Each of the sessions below will include all three topics listed above. All new members of any governing council only need to attend one of the below sessions to meet the mandated requirements.
