

## Fraternity and Sorority Minimum Expectations Covenant

University of Oklahoma | Spring 2025

At the University of Oklahoma, undergraduate sorority and fraternity organizations and their local governing bodies (the Affiliate Circle, Interfraternity Council, Multicultural Greek Council, National Pan-Hellenic Council, and Panhellenic Association) are established and operate at the formal invitation and continued recognition of the University. [The Registered Student Organization Policy](#) acknowledges fraternities and sororities as Registered Student Organizations (RSOs). They are afforded the same benefits as all other recognized student organizations and are held to the expectations outlined in the *Registered Student Organization Policy*.

Fraternities and sororities recognize that academics are, and should be, the foremost priority of each student and the process of joining a fraternity or sorority should not interfere with the academic mission of the university. All University of Oklahoma students and organizations must abide by the [Student Rights and Responsibilities Code](#), all other University policies, and State laws.

This covenant outlines the relationship, responsibilities, and expectations of campus fraternities and sororities at the University of Oklahoma. **This document should be reviewed thoroughly each semester by the chapter collegiate and alumni officers to fully understand the minimum expectations required for recognition and Good Standing status.**

This agreement is created in line with the Fraternity and Sorority Programs and Services (FSPS) strategic focus of providing a **safe, meaningful, and transformative membership experience** for students in fraternities and sororities at the University of Oklahoma.
