Note to Students: Transfer maps provide a semester-by-semester guide to a university showing how OCCC courses transfer to a specific University of Oklahoma (OU) bachelor's degree program. This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with an OCCC advisor and the university to ensure they are on-time and on-track for transfer. Students are responsible for understanding the program/admission/transfer requirements for the university and for completing requirements in the official degree sheet for each major.
