## ADMISSIONS REQUIREMENTS

### Undergraduate Admission

#### **ADMISSIONS & RECRUITMENT**

Jeff Blahnik, Executive Director of Admissions & Recruitment

Office of Admissions & Recruitment

550 Parrington Oval, Room L-1

Norman, OK 73019

Phone: (405) 325-2151 or 1-800-234-6868

The admissions process at the University of Oklahoma seeks to identify applicants who will successfully complete a collegiate academic program and contribute to the diverse intellectual, cultural and social environment of the University. The University of Oklahoma welcomes inquiries regarding admission requirements and application procedures. The Office of Admissions & Recruitment assists prospective undergraduate students — both freshmen and transfer — with the admission process by providing information on admission requirements, financial aid, scholarship opportunities, housing and student life. This office also serves as a visitor information center and provides tours of the campus to prospective students, their families and other University guests.

Inquiries about undergraduate admission should be directed to:

Applications for international students are processed by the Office of Admissions. Assistance after admission is provided by International Student Services. International students are considered to be those applicants who require a temporary, non-immigrant United States visa or immigration status. Students who have established permanent resident status in the United States are not considered international students.

## CREDENTIALS

To be considered for admission, applicants must submit official and complete academic credentials.

Applicants may not disregard any part of their educational history, and failure to report all institutions previously attended will be cause for cancellation of the admissions process or for dismissal. All credentials submitted for admission to the University of Oklahoma become the property of the University and will not be returned or released.

## APPLICATION FEE

All applicants to the University of Oklahoma must pay a non-refundable application-processing fee. If you are applying online, you must pay online by credit card. If you are submitting a paper application, payment can be made by check, money order or credit card. Checks should be made payable to the University of Oklahoma and mailed to the Office of Admissions. Checks from international applicants must be in US dollars and clear through a United States bank. Payment by credit card is also an option.

## RESIDENT STATUS

All applicants are classified as resident or nonresident for purposes of admission and tuition based on information provided on the application for admission. Applicants may be required to submit evidence to substantiate their claim to resident classification.

A uniform policy concerning resident status exists for all state-supported institutions of higher education in Oklahoma. See the OU [In-State/Out-of-State Tuition Policy](#) for resident status information. Questions concerning resident status should be directed to the Office of Admissions, (405) 325-2252.

- Is a person who was discharged or released from a period of not fewer than ninety (90) days of active duty uniformed service, less than five (5) years before the date of enrollment in the course(s) concerned, and is pursuing a course of education with educational assistance under Chapters 30 or 33 of Title 38 of the United States Code while living in Oklahoma;
- or
- Is a person who is entitled to assistance under Section 3311(b)(9) or 3319 of Title 38 of the United States Code by virtue of a relationship to a person who was discharged or released from a period of not fewer than ninety (90) days of active duty uniformed services, and enrolls in the course(s) concerned within five (5) years of the date the related person was discharged or released from a period of not fewer than ninety (90) days of active duty uniformed services.

You may obtain a copy of your DD214 through eBenefits at <https://www.ebenefits.va.gov/ebenefits/homepage>.

#### **Military Reserve Member on Full-Time Active Duty**

Regardless of the residency of the student, dependent children or a spouse of a person who is currently serving as a member of the military reserve on full-time active duty of more than thirty (30) days and for whom Oklahoma is the home of record shall be eligible for in-state status.

#### **Waiver of Tuition for Prisoners of War, Persons Missing in Action, and Their Dependents**

##### **Title 70 O. S. § 2281 (2001)**

A “prisoner of war” or a “person missing in action” means any person who was **a resident of the state of Oklahoma** at the time he or she entered service of the United States Armed Forces or whose official residence is within the state of Oklahoma and who, while in the United States Armed Forces, has been declared to be a prisoner of war or a person missing in action as established by the Secretary of Defense. A “dependent” means any child whose parent served as a prisoner of war or was declared by the United States Armed Forces to be a person missing in action. A dependent child ceases to be eligible for benefits when he/she turns twenty-four (24) years old.

#### **WAIVER FOR DEPENDENTS OF OKLAHOMA PEACE OFFICERS, FIRE FIGHTERS AND EMERGENCY MEDICAL TECHNICIANS**

##### **TITLE 70, O. S. 2005 SUPP., § 3218.7, TITLE 63, O.S. 2005 SUPP., § 1-2505**

A “dependent” means any child of an **Oklahoma** Peace Officer, Fire Fighter or Emergency Medical Technician who has given their life in the line of duty. A dependent ceases to be eligible for benefits when he/she turns twenty-four (24) years old.

For information about these waivers please contact Kellie Dyer, Assistant Director, Office of Admissions & Recruitment, (405) 325-2151, [kdyer@ou.edu](mailto:kdyer@ou.edu).

#### **ENGLISH PROFICIENCY**

All new applicants to the University for whom English is a second language, including those holding permanent resident status, are required to present evidence of proficiency in the English language prior to admission. The intent of this policy is to insure that students for whom English is not a native language have a reasonable chance to succeed academically based on their ability to comprehend and use spoken and written English. Undergraduate applicants may satisfy the English proficiency requirement in one of several ways which are stated in English Proficiency section on the [International Undergraduate Admission](#) web page.

#### **ADMISSION OF FRESHMEN**

##### **HOW TO APPLY**

Apply online through the [Common Application](#) and submit the following credentials:

- Official high school transcript reflecting at least six semesters of work completed, a grade point average computed on an unweighted 4.0 scale, and a rank in class
- Official copies of your ACT and/or SAT scores
- Letter of Recommendation
- An official transcript from any collegiate institution you have attended as a concurrently enrolled student
- Official copies of any AP or CLEP test scores

##### **WHEN TO APPLY**

Prospective students are encouraged to apply as soon as possible after the completion of the junior year in high school in order to maximize opportunities for housing, financial aid, scholarships and early enrollment.

##### **CRITERIA FOR ADMISSION OF FRESHMEN**

To be considered for admission to the University of Oklahoma, applicants:

- Must have completed fewer than seven semester hours of college-level work after graduating from high school.
- Must have graduated from an accredited or unaccredited high school.
- Applicants who have received a General Education Development (GED) or are home-schooled will also be considered. Your high school class must have graduated by the time you plan to enter OU.

Applicants will be considered for admission using a holistic review and selection process which considers several factors that predict academic success (i.e. high school grade point average, high school course rigor, academic engagement, writing ability, leadership, and ACT/SAT scores).

[See requirements and other factors for admission decisions](#) for more information.

**Admission requirements are subject to change annually by the University of Oklahoma** with the approval of the Oklahoma State Regents for Higher Education, when it is determined to be in the best interest of the University and its students to do so. If it becomes necessary to limit

enrollment, preference will be given to residents of Oklahoma. For the most current information on admission requirements, contact Admissions & Recruitment, (405) 325-2151 or 1-800-234-6868, or visit the [Admissions website](#).

### MINIMUM HIGH SCHOOL PERFORMANCE

Because success in college is enhanced by solid academic preparation in high school, completion of the following courses in high school is required before entering the University.

- **English — four units:** Grammar, composition and literature only.
- **College Preparatory Mathematics — three units of prep math (4 recommended):** algebra I, algebra II, geometry, trigonometry, math analysis, calculus, or Advanced Placement statistics.
- **Laboratory Science — three units (4 recommended):** Does not include general science, with or without a lab. One year of principles of technology may substitute for one of the lab science courses, provided that the student also completes two traditional laboratory science courses.
- **History and Citizenship Skills — three units:** One unit must be American history and two additional units selected from the subjects of history, economics, geography, government or non-western culture.
- **Additional Subjects — two units:** from any of the subjects previously listed or computer science or foreign language. Two years of the same foreign language will satisfy the University's foreign language general education requirement. Any AP course not already used to satisfy the curricular units mentioned previously may be used to satisfy the two additional units except AP courses in Studio Art or International English  
Coursework in music, art, drama or speech is also recommended.

### ADULT ADMISSION

Applicants who are 21 years of age or older or on active military duty, who do not meet the stated performance and/or curricular requirements for admission to the University may be considered under the Adult Admission category. Careful attention will be given to an applicant's written comments concerning background and educational goals, personal interviews, as well as letters of recommendation from school counselors, teachers, principals, employers or supervisors attesting to the applicant's motivation and potential for academic success. An applicant's academic record will also be reviewed for completion of the high school curricular requirements. Students admitted under the Adult Admission category must demonstrate proficiency to the satisfaction of the entering institution in the curricular area the student desires to pursue. Prospective students should contact the Office of Admissions & Recruitment at (405) 325-2151 for further information.

### CONCURRENT ENROLLMENT

Concurrent Enrollment at the University of Oklahoma is a program designed to allow high school juniors and seniors with exceptional abilities to enroll in college courses on a limited basis. High school students may thus accumulate college credits prior to completing high school. To be eligible for the Concurrent Enrollment Program, students must be enrolled in an accredited high school and meet the following requirements:

1. You must have achieved junior or senior standing and be eligible to complete requirements for graduation from high school no later than the spring of your senior year, as attested by your high school principal.
2. You must meet the requirements found on the [Concurrent Enrollment website](#).

Interested students should [apply online](#), and submit a completed [Concurrent Enrollment Recommendation form](#) signed by the high school principal, a counselor, and parent, a high school transcript, and ACT or SAT scores.

Once admitted, a student's combined enrollment in high school and at the University of Oklahoma may not exceed 19 credit hours during a fall or spring term. For this purpose, the University will assume that any high school course enrollment is the equivalent of 3 credit hours. Students may enroll in a maximum of 9 credit hours during a summer term without being concurrently enrolled in high school classes during the summer. Students who wish to exceed this credit hour limit may petition the Dean of University College for permission to do so, up to a maximum of 24 semester hours in a regular semester.

The completion of high school curricular requirements is not mandatory for Concurrent Enrollment students for admission purposes. However, students may not enroll in college-level courses in a curricular area until the high school curricular requirement in that discipline has been satisfied through coursework or assessment. Concurrent Enrollment students may not enroll in zero-level courses designed to remove high school curricular deficiencies.

Following high school graduation, Concurrent Enrollment students must apply for regular freshman admission to the University of Oklahoma or they may transfer to another institution in the state system, provided that they have maintained a grade point average of 2.00 on a 4.00 scale at the University and meet the entrance requirements of the receiving institution, including high school curricular requirements.

### OPPORTUNITY ADMISSION

Students who have not graduated from high school, regardless of age, whose composite score on the ACT (using Oklahoma norms) or combined verbal and mathematics score on the SAT (using national norms) places them in the 99th percentile of all students tested, may apply for admission to the University of Oklahoma. Admission will be determined based on test scores and an evaluation of the student's level of maturity and ability to function intellectually and socially in the adult college environment.

## ADMISSION OF TRANSFER STUDENTS

Applicants are considered transfer students if they have attempted more than six semester hours of college-level work at another accredited college or university since graduation from high school. Students who complete college-level work while still in high school are not considered transfer students.

**Transfer admission requirements are subject to change by the University of Oklahoma** with the approval of the Oklahoma State Regents for Higher Education, when it is determined to be in the best interest of the University and its students to do so. If it becomes necessary to limit enrollment, preference will be given to residents of Oklahoma.

## TRANSFER ADMISSION CRITERIA

Admission of transfer students is based on the following performance requirements and preparatory coursework in high school.

### CURRICULAR REQUIREMENTS FOR ADMISSION OF TRANSFER STUDENTS\*

- **English—four units:** Grammar, composition and literature only
- **College Preparatory Mathematics—three units:** Algebra I, algebra II, geometry, trigonometry, math analysis, calculus, or AP statistics.
- **Laboratory Science—three units:** Does not include general science with or without a lab. One year of Principles of Technology may substitute for one of the lab science courses, provided that the student also completes two traditional laboratory science courses.
- **History and Citizenship Skills—three units:** One unit must be American history and two additional units can be selected from the subjects of history, economics, geography, government or non-western culture.
- **Additional Subjects—two units:** from any of the subjects previously listed, computer science, or foreign language.

\* If you have not completed the courses listed above in high school, you should do so before transferring to the University. With the exception of U.S. history and U.S. government, completion of remedial or college-level coursework in any of the subject areas in which a deficiency exists will also satisfy this requirement. A remedial mathematics course must be the equivalent of high school Algebra II. Remedial or precollege-level courses cannot be used to fulfill degree requirements.

## PERFORMANCE REQUIREMENTS FOR ADMISSION OF TRANSFER STUDENTS

Admission requirements for transfer students are subject to change annually by the University of Oklahoma with the approval of the Oklahoma State Regents for Higher Education. For the most current information on performance requirements for transfer admission, contact the Office of Admissions & Recruitment at (405) 325-2151 or 1-800-234-6868, or visit the Transfer Admission Requirements web page.

Transfer students with fewer than 24 semester hours attempted must meet performance requirements for first-time entering freshmen, as well as specified performance requirements on all transfer work attempted.

Transfer students who do not meet performance and/or curricular requirements are encouraged to contact the Office of Admissions for advice and counseling on alternative admission opportunities.

## APPLICATION DEADLINES

Your application **must be RECEIVED** by the Office of Admissions & Recruitment by the dates below. However, you are encouraged to apply as early as possible to maximize opportunities for housing and scholarships, financial aid and early enrollment.

- **April 1** for a fall semester or summer session
- **November 1** for a spring semester

## HOW TO APPLY

- To apply online, visit our [Transfer Admissions web page](#).
- Submit an official final high school transcript and official transcripts from **each** college or university attended. **Students are not at liberty to disregard any part of their previous educational history when applying for admission.**
- Submit ACT or SAT scores if you have fewer than 24 semester hours of college work.

## WHEN TO APPLY

Transfer students are encouraged to apply early in the semester prior to the term they wish to enter the University. Early admission allows students to maximize their opportunities for housing, financial aid, scholarships, and early enrollment. Admission decisions can often be made with the current term's grades outstanding.

## TRANSCRIPT EVALUATION

Once an applicant has been admitted to the University, the Office of Admissions & Recruitment performs an evaluation of any transfer credit. Students who are admitted with coursework in progress should submit a schedule of courses in progress, and arrange to have a final, official transcript sent to the Office of Admissions & Recruitment after completion of their last term. Once a complete and official transcript is received, the initial evaluation will be updated. Students will consult with an academic adviser at the time of enrollment to determine how their transfer work will apply toward a degree at the University of Oklahoma.

## TRANSFER EQUIVALENCIES

To help in a student's educational planning, the Office of Admissions & Recruitment has developed a [searchable transfer course database](#). Courses that have an OU equivalent course number will transfer to the University and often can be applied toward a degree. In some cases, they may substitute for required courses; in others, they may transfer as elective credit. Please refer to the [OU degree checksheet](#) for major-specific requirements. How each course will apply toward an OU degree will be determined by the degree-recommending college within the University. Additionally, courses that carry fewer semester hours than their OU counterpart will generally substitute for the indicated OU courses, but students must make up the difference in credit hours before graduation.

## TRANSFER DAYS

Transfer Days is a yearly event, normally held in early spring, which provides an opportunity for transfer students who have already been admitted to the University for the upcoming summer or fall term to visit campus, be advised by academic counselors, and pre-enroll for the fall and/or summer terms. In addition to academic counselors, representatives from the University are also on hand to answer questions about housing, financial aid, scholarships and student activities. Other pre-enrollment periods for summer and fall terms occur throughout the late spring and summer months, so transfer students who are unable to attend Transfer Days will have ample opportunity to pre-enroll once they are admitted to the University. For further information, contact the Office of Admissions & Recruitment (405) 325-2151 or 1-800-234-6868.

## TRANSFER CREDIT REGULATIONS

The amount of credit granted to applicants for admission as transfer students depends upon the nature and quality of the applicant's previous work, evaluated according to the academic requirements of the University, and the following provisions:

- Transfer credit earned by students at institutions accredited by a regional accrediting agency (such as the North Central Association of Colleges and Schools) or the Oklahoma State Regents for Higher Education will be accepted for transfer at face value. Credits earned at institutions accredited by a national accrediting agency recognized by the U.S. Department of Education will be reviewed on a course-by-course basis and accepted for transfer if the course is determined to be substantially equivalent to a University of Oklahoma course or courses.
- Lower-division courses transferred to the University of Oklahoma will generally be used to meet lower-division degree requirements. In the event that a lower-division transfer course is used as a substitution for an upper-division requirement at the University, a student may be required to complete additional upper-division hours for graduation.
- A minimum of 60 semester hours must be earned in a senior college for a baccalaureate degree.
- Transfer students who enter the University with an Associate of Arts or an Associate of Science from an institution in the Oklahoma State System of Higher Education are considered to have met the lower-division (1000- and 2000-level) course requirements of the University's General Education core curriculum. However, these students are still required to complete any lower-division coursework that is required beyond the University's lower-division General Education course requirements, as well as the upper-division (including General Education) course requirements for a degree.
- The dean's office of each degree-recommending college has ultimate responsibility for determining how transfer credit will apply to a specific degree program. Since graduation requirements vary from college to college, a re-evaluation of transfer credit is required if a student changes degree colleges.
- A transfer applicant under disciplinary probation or suspension will not be considered for admission until the terms of the probation or suspension have been met. **Students must meet appropriate application and credential deadlines for the term for which they are applying for readmission.**
- Grades for courses taken at foreign institutions are used in determining admissibility to the University. However, once a student is admitted, transfer grades are changed to neutral (S or U) grades which do not affect the grade point average. The only exception to this policy is for foreign institutions that hold accreditation through a United States regional accrediting association.

## SECOND UNDERGRADUATE DEGREE APPLICANTS

Students may apply for a second undergraduate degree at the University of Oklahoma, but are encouraged to investigate other options available through the Graduate College and other non-degree classifications before doing so. In addition to specific degree programs, the Graduate College offers teacher certification programs and an unclassified (non-degree) option, which allows students to take graduate and undergraduate courses before selecting a major field of graduate study.

Applicants for a second undergraduate degree must apply to a specific major and are not eligible for a second undergraduate degree in the major of their first degree.

General University policy, as well as specific college and school policies may restrict an applicant from applying for a second undergraduate degree in certain majors. Applicants should contact the Office of Admissions or the appropriate University degree-recommending college for further information on the pursuit of a second undergraduate degree.

## APPLICANTS FOR READMISSION

Students must file an application for readmission if it has been more than one semester and a summer term since their last attendance at the University, or if they have completed a degree or were suspended after their last enrollment at OU. **Application deadlines do apply to former students.** Students who only enroll for summer terms (summer to summer students) do not need to reapply unless they graduate or break their continuous enrollment for a summer term. Students who have attended another college or university since last attending the University

must file official transcripts from each institution attended. A student's eligibility for readmission will be determined after an evaluation of all transferred and OU work has been made. Academic credit awarded by any division of the University of Oklahoma is considered resident credit, with the exception of credit completed by correspondence or advanced standing examination.

## SUSPENDED STUDENTS

A student who has been suspended once for academic reasons from the University or any other institution in the state system of higher education may apply for (re)admission to the University for any semester or summer term beyond the semester in which he or she was suspended. Such (re)admission is not automatic but is decided on an individual basis. The student must submit an application for readmission, a letter of appeal, and all required transcripts to the Admissions Office by **April 1 for a fall semester or summer session, and November 1 for a spring semester**. The letter of appeal should include an explanation of the student's previous academic record, information about the student's activities since suspension, and reasons why an exception to the requirements for admission to the University should be made. A student who has been suspended twice from the University is not eligible for consideration for readmission until that student has attended another accredited college or university and raised his/her grade point average to the University's retention standards.

## OTHER APPLICANTS

### UNDERGRADUATE VISITOR/SPECIAL STUDENTS

Any person who is admissible to the University of Oklahoma and who wishes to take undergraduate courses without the intention of pursuing a degree may do so under the classification of Undergraduate Visitor/Special Student.

**Undergraduate Visitor/Special Students** must meet regular admission requirements to the University and are limited to nine semester hours of enrollment in this classification, unless an exception to this enrollment maximum is made by the President of the University or his or her designate. University retention standards also apply to this category of student. A person who is admitted as an Undergraduate Visitor/Special Student has no privileges beyond those which are available to all students. An Undergraduate Visitor/Special Student who wishes to enroll in a course with specific prerequisites must meet those prerequisites in the same manner as any other student.

Undergraduate Visitor/Special Students who later elect to enter a degree program will be expected to meet all of the regular requirements for that particular degree program and are urged to apply for regular (degree-seeking) admission as soon as a decision to pursue a degree has been made.

If an Undergraduate Visitor/Special Student applies for admission to an undergraduate degree program, the work he/she has taken as a Special Student will be evaluated in the same manner as any other work submitted for evaluation. The particular degree-recommending college involved will determine how this work will apply toward the degree sought.

### POST-BACCALAUREATE NON-DEGREE STUDENTS

Post-baccalaureate non-degree are students who hold at least a bachelor's degree and wish to take **undergraduate** courses without pursuing a degree, including students who wish to take undergraduate prerequisite courses for medical, dental, optometry, or veterinary school.

Students who wish to take **graduate** level courses without pursuing a degree should apply as an Unclassified Graduate Student. Post-Baccalaureate Non-Degree students are not required to submit academic credentials to be admitted. Post-baccalaureate students may not enroll in any course that is limited to majors only, may not enroll in 5000 or 6000-level courses, and may not receive graduate credit for 3000 or 4000-level courses.

## Graduate Admission

Admission to a graduate program at the University of Oklahoma is based on an evaluation of an applicant's overall record, experience, personal qualifications and proposed area of study. Applicants who apply to for graduate study at OU are applying for admission to the Graduate College and the graduate program in their proposed area of study. Inquiries related to graduate admission should be directed to the Office of Graduate Admissions, University of Oklahoma, 731 Elm Avenue, Room 318, Norman, OK 73019-4075, (405) 325-6765; FAX (405) 325-5345; e-mail: gradadm@ou.edu.

Applications cannot be considered until all required materials have been submitted. Applications and supporting credentials are reviewed by the Office of Graduate Admissions, the graduate academic unit to which the applicant is seeking admission, and the Graduate College. The final decision on admission to the Graduate College is made by the graduate dean. To be eligible for enrollment, the student must have been admitted to the University and to the Graduate College before the registration period ends for any given semester.

The Office of Graduate Admissions has charge of all matters pertaining to general admission to the University. Admission and enrollment in the Graduate College is governed by the graduate dean. All admissions to the Graduate College require that the student hold a baccalaureate degree or equivalent from an accredited college or university. Undergraduate applicants in their final semester at accredited colleges and universities may apply for admission to the Graduate College.

If admitted, a student must register for courses at the University of Oklahoma for the term of admission to retain active status. The student is subject to the regulations applicable during his/her first term of enrollment so long as continuous enrollment is maintained.

## APPLICATION FOR GRADUATE ADMISSION

Prospective graduate students should [apply online](#).

### Required Application Materials

1. Transcript from last degree-conferring college or university\*\*

2. Transcripts for any graduate coursework
  3. An application-processing fee must accompany the application of all students who seek admission or readmission to the University
- \*\*If you are admitted, you must submit official transcripts from all degree-granting institutions.**

## ACADEMIC UNIT REQUIREMENTS

Most graduate academic units or programs require that supplemental application materials, such as letters of recommendation, goal statements, etc., be submitted along with the application for admission. Students should consult with the graduate academic unit to which they are seeking admission to verify admission requirements and credentials needed. Although the Graduate College does not require the Graduate Record Examination (GRE) or any other standardized tests, many academic units do require the GRE or other standardized tests.

## DEADLINES

For graduate applicants within the United States, there are no formal admissions application deadlines. Many academic units have program-specific deadlines. For the most current information on deadlines, go to [Graduate Programs & Deadlines](#).

International graduate applicants outside the United States are subject to application deadlines:

- Fall Semester – April 1
- Spring Semester – September 1
- Summer Session – February 1

**Most graduate academic units do have application deadlines, which are earlier than the dates listed.** All applicants are strongly encouraged to contact the academic units to which they are seeking admission for the information regarding application deadlines. For the most current information on deadlines, go to [Graduate Programs & Deadlines](#).

## GRADUATE ASSISTANTSHIPS

Most graduate academic units employ graduate students on a part-time basis. Graduate assistantships are awarded and governed by individual academic units and appointing departments. Prospective students should contact the academic unit to which they are seeking admission to obtain information about, and applications for, graduate assistantships.

## ADMISSION OF UNIVERSITY OF OKLAHOMA GRADUATING SENIORS

All seniors graduating from the University of Oklahoma who wish to apply for admission to a graduate program should [apply online](#) no later than the final semester of their senior year. Graduate Academic Unit application deadlines apply to graduating seniors. University of Oklahoma graduate seniors are not required to submit transcripts with their graduate applications since these applicants are current students at the University.

If admitted, the graduating senior must inform the Graduate College if he/she fails to complete any requirements for his/her baccalaureate degree. These degree requirements must be completed by the term of the student's admission to the Graduate College. If they are not completed in the proper time frame, the graduate admission will be cancelled and the student must reapply to the Graduate College and graduate academic program to which he/she was previously admitted.

A college senior who qualifies for conditional admission to the Graduate College due to low grades will not receive a final decision on conditional admission until the complete undergraduate transcript has been reviewed.

## GRADUATE COLLEGE ADMISSION CRITERIA

- The Dean of the Graduate College governs admission and enrollment in the Graduate College utilizing the recommendations of academic units. The Office of Graduate Admissions oversees all matters pertaining to general admission to the University.
- To be considered for admission, the Graduate College requires that all applicants hold a baccalaureate degree or equivalent from a regionally-accredited college or university.
- Undergraduate applicants in their final two semesters at regionally-accredited colleges and universities may apply for admission to the Graduate College.
- Admission to a graduate program at the University of Oklahoma is based on an evaluation of an applicant's overall record, experience, personal qualifications and proposed area of study.
- The Graduate College does not set minimum GPA requirements and allows departments to evaluate applications holistically, but generally successful graduate applicants possess a 3.0 cumulative GPA over their undergraduate and/or graduate work.
- Academic programs may set more stringent admission requirements. Check with the program to which you are applying to determine any program-specific requirements.
- The University of Oklahoma uses the following 4.0 scale to calculate grade point averages:
  - A - 4.0 points per credit hour
  - B - 3.0 points per credit hour
  - C - 2.0 points per credit hour
  - D - 1.0 point per credit hour
  - F - 0.0 points per credit hour
- If an applicant's prior college or university uses a different scale, the grade point average is converted to a 4.0 scale or equivalent to determine whether the applicant meets University of Oklahoma grade point admission requirements.
- The grade point average is based on the following:

- If a bachelor's degree has been earned at a regionally-accredited college or university, the cumulative grade point average from the conferred degree is used. All letter-graded courses are subject to evaluation.
- If graduate work has been completed at a regionally-accredited college or university, but no master's degree has been earned, the cumulative grade point average from the conferred bachelor's degree is used. All letter-graded courses are subject to evaluation.
- If a master's degree has been earned at a regionally-accredited college or university, the cumulative grade point average from the conferred degree is used. All letter-graded courses are subject to evaluation.

## **ACADEMIC UNIT ADMISSION CRITERIA**

- Academic units may require all transcripts from all institutions attended.
- The Graduate College does not require the Graduate Record Examination (GRE) or other standardized tests. However, many academic units do require the GRE or other standardized tests. For more information about required tests, applicants should contact the academic unit to which they are applying.
- To determine additional department requirements, applicants should consult with the graduate liaison of the academic unit to which they are applying.

## **INTERNATIONAL ADMISSION**

International graduate applicants must provide proof of English proficiency and financial support documentation at the time of application.

### **English Proficiency**

All new applicants to the Graduate College for whom English is a second language (including those holding permanent resident status) are required to present evidence of proficiency in the English language prior to admission. The intent of this policy is to insure that students for whom English is not a native language have a reasonable chance to succeed academically based on their ability to comprehend and use spoken and written English. Graduate applicants may satisfy the English proficiency requirement in one of several ways which are stated on the [English Proficiency Requirements web page](#).

### **Financial Assistance**

An international student may apply for aid offered by Financial Aid Services only if considered an "eligible non-citizen" by the U.S. Department of Education. Most international students are not eligible for this type of government-supported financial aid. Contact OU [Financial Aid Services](#) for additional information.

International students may be eligible for university or department scholarships, fellowships, grants, or assistantships. Contact your department and/or program for more information about these forms of financial assistance.

## **ADMISSION IN FULL STANDING**

- The applicant can be admitted in full standing if he or she has met all University of Oklahoma admission requirements, is recommended for admission in full standing by the appropriate academic unit, and is accepted for admission by the Dean of the Graduate College.
- The admission recommendation may be based on many factors including the applicant's grade point average.

## **CONDITIONAL ADMISSION**

An applicant who shows the potential for academic success in graduate school, but does not qualify for admission in full standing, may be conditionally admitted to a degree program.

- Conditional admission to a degree program is contingent on the recommendation of the academic unit and approval of the Dean of the Graduate College.
- Conditional admission will depend on other indicators of the student's potential for academic success, such as strong performance on standardized tests, a high grade point average in the major, and/or experiences that clearly indicate strong academic ability.
- The graduate liaison must provide the Graduate College with a recommendation for conditional admission. The recommendation must indicate:
  - any grade requirements beyond the Graduate College recommended 3.0 average
  - any course deficiencies to be satisfied.
- The Graduate College must approve the recommendation for conditional admission.

### **Meeting the Conditions**

- The student must maintain at least a 3.0 grade point average in each semester during the first 12 hours of letter-graded OU coursework taken after admission to the Graduate College.
- A student who earns more than two grades of I and/or W at any time during the period of conditional admission will be subject to disenrollment.
- A student who accumulates more than 18 hours of graduate coursework but has not fulfilled the terms of the conditional admission may be subject to disenrollment.
- Students who are admitted conditionally may not earn a grade of D, F, or U during the period of conditional admission.
- A student who fails to comply with the conditional requirements specified may be subject to disenrollment.

## **NON-DEGREE ADMISSION**

Non-degree admission types include unclassified status, teaching certification status, and graduate visitor status. Students who are admitted solely to a graduate certificate program are also considered non-degree seeking (see [Graduate Certificates](#)).

Future admission to a graduate program is not guaranteed for students admitted to a non-degree status. Students who complete graduate coursework in a non-degree status and later apply to an OU graduate degree program should review the sections of the bulletin regarding [OU Coursework Taken Before Admission to a Master's Degree Program](#) or [OU Coursework Taken Before Admission to a Doctoral Program](#). Credit completed as a non-degree student is not guaranteed to be applicable to a graduate degree. Students admitted to a graduate non-degree status are generally not eligible to receive financial aid. Additional information is available from [Financial Aid Services](#).

### UNCLASSIFIED NON-DEGREE STATUS

This status may be appropriate for applicants who want to take graduate-level coursework, but either have not chosen a field of academic study or do not intend to pursue a graduate degree. In addition to meeting this description, applicants must meet the [Graduate College Admission Criteria](#) to qualify for unclassified admission. The deadline to apply for unclassified admission is thirty (30) calendar days prior to the start of the semester in which the applicant plans to enroll.

The following restrictions apply to unclassified status students:

- A 3.0 cumulative grade point average from the undergraduate and/or graduate work is required for admission. Conditional admission is not available for unclassified status.
- Enrollment as an unclassified student is limited to 12 total hours. The Graduate College will place an enrollment hold on an unclassified student who has reached this limit.
- Unclassified students must maintain a 3.0 grade point average in order to be eligible for continued enrollment. Academic probation is not available to unclassified students.
- Students admitted to unclassified status for a given semester will not be eligible for admission to a graduate program for that same semester. However, unclassified students may apply to a graduate program for a future semester by submitting the online [Addition or Change of Program Application](#) (see [Addition or Change of Program](#)).

### TEACHING CERTIFICATION STATUS

A student wanting to fulfill requirements for a State Education Certificate (not a graduate certificate) may be admitted to teaching certification status. Applicants to teaching certification status should contact the Jeannine Rainbolt College of Education for additional information.

### ADMISSION AS A VISITOR

Graduate students who are currently admitted and in good standing in graduate degree programs at other accredited institutions are welcome to take courses at the University of Oklahoma as a Graduate Visitor. In this status, a graduate student has all the rights and privileges of other graduate students except he or she is not pursuing a graduate degree at the University of Oklahoma. Should a Graduate Visitor decide to pursue a graduate degree here, he or she would be required to file another application and submit official copies of all transcripts. To be admitted as a Graduate Visitor, a prospective graduate student must submit the following information to the Office of Admissions:

- A completed application form and application-processing fee ([apply online](#)).
- A letter of good standing from the dean of the Graduate College of the student's home institution.

### READMISSION TO THE GRADUATE COLLEGE

Readmission Process

- A student who has been admitted and does not enroll for the term of admission must reapply for admission.
- An admitted student must register for courses at the University of Oklahoma for the term of admission to retain active status as a graduate student.
- The student is subject to the regulations applicable during the first term of enrollment so long as continuous enrollments are maintained.
- A student whose initial enrollment as a graduate student at the University of Oklahoma is during the Summer session will be subject to the University of Oklahoma catalog or bulletin in effect for the academic year following that summer.

Students who have attended another college or university since last attending the University must submit official transcripts from each institution attended to the University of Oklahoma's Office of Admissions. A student's eligibility for readmission will be determined after an evaluation of all transferred work is made. Readmitted students will be subject to the regulations in effect at the time of readmission.

### POLICY ON NON-ACADEMIC CRITERIA IN THE ADMISSION OF STUDENTS

In addition to the academic criteria used as the basis for the admission of students, the University shall consider the following non-academic criteria in deciding whether a student shall be granted admission: whether an applicant has been expelled, suspended, or denied admission or readmission by any other educational institution; whether an applicant has been convicted of a felony or lesser crime involving moral turpitude; whether an applicant's conduct would be grounds for expulsion, suspension, dismissal or denial of readmission, had the student been enrolled at the University of Oklahoma. An applicant may be denied admission to the University if the University determines that there is substantial evidence, based on any of the instances described above, to indicate the applicant's unfitness to be a student at the University of Oklahoma.

## LEAVE OF ABSENCE

**STOP-OUT** — a university policy that allows students who have not graduated or been suspended to break their enrollment at the University for no more than one major semester and a summer term and return to the University without applying for readmission. Students may also attend consecutive summer terms without going through the readmission process.

## Graduate College Lapsed Enrollment and Academic Leave of Absence Policy

### LAPSED ENROLLMENT

- A graduate student who has a lapse of enrollment for one year must reapply for admission.
- A graduate student readmitted after a lapse of enrollment is subject to the current conditions and curriculum of his or her program of study at the time of readmission, not those in place at the time of the initial enrollment.
- Readmitted students are subject to all course age limits as outlined in the doctoral and master's degree sections of this bulletin.

### ACADEMIC LEAVE OF ABSENCE POLICY

- A graduate student who finds it necessary to discontinue the program of study (i.e., academic leave of absence) may petition the Graduate College for an exception to return under the student's original program of study.
- The petition must detail the reasons for the academic leave of absence and specify the semester in which the academic leave of absence period will begin and the semester in which the student will resume his or her studies and, whenever possible, must be processed while the student is still enrolled.
- The petition must be endorsed by the student's committee chair and graduate liaison.
- As a general rule, the academic leave of absence period will not exceed two years from the student's last enrollment.
- The period of the academic leave of absence will count toward the time limit for completing the degree.
- Academic leave of absences do not affect the policies governing lapses in enrollment. A student on an academic leave of absence who allows his or her enrollment to lapse will need to reapply for admission and pay all associated application fees.

## If You Are Called to Active Duty

### WHAT YOU NEED TO DO

#### Early in the semester:

If you are a main campus student, you need to contact either Jennifer Trimmer at 325-4308 or Debbie Blevins at 325-1084. They will need a copy of your orders as soon as possible. You can fax them to 325-7492. They will withdraw you from your classes and notify the Bursar and Financial Aid.

If you are a student in OU Outreach Advanced Programs, Liberal Studies, Independent Study or Academic Programs, you need to contact R. William Jacobs II, [va@ou.edu](mailto:va@ou.edu). He will need a copy of your orders as soon as possible. You can fax them to 325-7273. They will withdraw you from your classes and notify the Bursar and Financial Aid.

#### Mid to late semester:

If time allows, visit with each of your instructors to discuss your options.

The faculty and staff have been instructed by the Provost office to assist you in the disposition of your coursework. This may include early completion of courses, withdrawal or receipt of grades of Incomplete. Whatever your decision, you must then notify Jennifer Trimmer so she can counsel you on how it will impact your Montgomery GI Bill.

#### When you know the semester in which you will return:

We will do everything we can to get you back in classes as seamlessly as possible. You may go online to [ozone.ou.edu](http://ozone.ou.edu) at the appropriate time and enroll. If you have any stops, advising or otherwise, you may email Jennifer Trimmer at [veterans@ou.edu](mailto:veterans@ou.edu) and she will forward your email to the appropriate person.

#### Other Considerations

If you are living in University Housing, you need to submit a release application and a copy of your orders. You should be released from your contract with no penalty. For more information, contact Kari at 325-2511.

If you have a parking permit, send the permit to Parking and Transportation, 731 Elm Avenue, Robertson Hall, Norman OK 73019. Parking and Transportation will credit your Bursar account. The Bursar will issue a refund if there are no other outstanding charges to your account. If you have any questions about this, contact Anita at 325-3311.

If you purchased your textbooks at any of the Norman campus area bookstores, the stores will give you a refund as long as you can present a receipt.

If you have checked out materials from the University Libraries, be sure they get returned.

If you need to change your address, use the [Update Addresses and Phones](#) link in the Personal Information channel on the Home tab in [ozone.ou.edu](http://ozone.ou.edu).

## **TARDINESS & INTERRUPTIONS COUNTED FOR UNSATISFACTORY PROGRESS**

### **CLASS ATTENDANCE**

#### **STUDENTS**

Students are responsible for the content of courses in which they are enrolled. Specific policy concerning attendance requirements and announced and unannounced examinations is the responsibility of the individual instructor. Students have a responsibility to inform faculty prior to absences whenever possible. Faculty should make every effort to find a reasonable accommodation for students who miss class as a result of participation in Provost-approved University-sponsored activities or legally required activities such as emergency military service. Students missing class on account of jury duty must receive such an accommodation.

#### **FACULTY**

A faculty member's assignment to teach a course is an important element of the faculty member's professional responsibilities, including the obligation of the instructor to attend all classes and to teach. Academic units shall have a policy regarding faculty absences from teaching responsibilities and a procedure for instructors to arrange with their units plans for modifying scheduled class periods. Chairs and directors also are responsible for ensuring that faculty obligations for courses are fulfilled. For medical and family emergencies and other unforeseeable contingencies, a scheduled class meeting may be canceled. For legitimate, foreseeable obligations, the faculty member is responsible for finding a reasonable alternative way to perform teaching duties in the form of a substitute or a make-up session. Classes are not to be dismissed or rescheduled for any extracurricular function.

## **POLICY AND REGULATIONS OF THE INSTITUTION RELATIVE TO GRANTING PRIOR CREDIT**

### **CREDIT FOR PRIOR LEARNING ASSESSMENT/EXTRA-INSTITUTIONAL LEARNING**

The University of Oklahoma encourages capable students to seek college credit for knowledge they may have acquired in a variety of ways. Complete information on the ways students may establish credit for extra-institutional learning at the University of Oklahoma is found in [Prior Learning Assessment Credits](#).

A student enrolled in and attending a course may earn credit in that course by prior learning assessment examination up to the end of the second week of class in a regular semester or the first week of a summer session. If a student earns credit in the course by examination, the student may drop the course enrollment with no fee assessment, provided the course is dropped within the specified free drop period for the term. Refunds will not be made for courses dropped after the defined free drop period.

The amount of prior learning assessment credit that may be applied toward a degree is subject to OU graduation requirements and the degree-recommending college in which a student will earn a degree. The dean of the degree-recommending college will determine how this credit applies toward a degree.

The neutral grade of satisfactory (S) will be assigned to all types of prior learning assessment credit authorized by the Oklahoma State Regents for Higher Education.

Should a student fail a prior learning assessment examination, no grade will be recorded. In addition, a student may not receive credit for a repeat of an exam previously failed. Students should consult the OU Admissions or the Center for Independent and Distance Learning to discuss other test options.

The regulations governing prior learning assessment credit mentioned above apply to all of the OU prior learning assessment options available.

Advanced standing examinations are under the general supervision of the University Registrar (and the chairperson of the department in the case of University departmental examinations).

The Academic Regulations Committee is responsible for hearing any appeals in hardship cases of students who do not meet the conditions and regulations governing advanced standing examinations.

Prior Learning Assessment credit may be earned through a variety of test options which include:

- University of Oklahoma departmental prior learning assessment examinations.
- The University of Oklahoma offers a number of departmental prior learning assessment examinations. Interested students should consult with an academic adviser during enrollment or with the departmental office responsible for offering the course. Some of the more commonly taken examinations are administered by the [Center for Independent and Distance Learning \(CIDL\)](#). For those examinations, students should pick up the application forms at 1600 S. Jenkins, Room 101, Norman, OK 73072-6507, phone (405) 325-1921. Other examinations are administered by the various departments. For information about requirements and times at which examinations are offered, contact the department office. Students may pick up applications for the examinations not administered by the CIDL at the Office of Admissions, 1000 Asp Avenue, Room 127, Norman, OK 73019-4076, phone (405) 325-2252.
- The Advanced Placement Program (APP) offered by the College Entrance Examination Board (CEEB). This program allows high school students to take examinations for credit at the college level. High school counselors will assist students with testing arrangements.
- The College Level Examination Program (CLEP) offered by the College Entrance Examination Board (CEEB). The University of Oklahoma is a CLEP testing center. The University awards credit for certain CLEP subject examinations. The University does not award credit for what were formerly the CLEP general examinations. Inquiries about OU's testing center should be addressed to the Center for Independent and Distance Learning, 1600 S. Jenkins, Room 101, Norman, OK 73072-6507, phone (405) 325-1921.
- Excelsior College Examinations  
The University of Oklahoma awards credit for a few Excelsior College Examinations.
- International Baccalaureate  
Credit may be awarded to students who have taken higher level courses in the International Baccalaureate Program and who have scored at least a four (on a seven-point scale) on the higher-level course examinations. Such credit is awarded on a course-by-course basis as recommended by the appropriate University of Oklahoma department.

Score reports for any of the prior learning assessment examinations listed above should be submitted to the Office of Admissions & Recruitment, University of Oklahoma, 1000 Asp Avenue, Room 127, Norman, OK 73019-4076.

## OTHER TYPES OF PRIOR LEARNING ASSESSMENT CREDIT

Students may establish prior learning assessment credit at the University of Oklahoma by a variety of avenues other than examination.

### MILITARY SERVICE CREDIT

The University awards credit for educational experiences during military service according to the recommendations of the American Council on Education as published in the "Guide to the Evaluation of Military Experiences in the Armed Services." The policies governing the acceptance of credit awarded for military experience toward satisfying degree requirements vary among the degree-recommending colleges of the University. Students should contact their college academic advisement office for specific information on the applicability of this type of credit toward degree requirements. General questions concerning the evaluation of educational experiences in the armed services should be directed to the Office of Admissions.

The grade of S (satisfactory) is assigned to all credit awarded for military training.

Students who wish to establish credit for educational experiences in the military should submit the following military records to the Office of Admissions for review.

- **Army, Navy, Coast Guard and Marine Corps:** Submit an official Joint Services Transcript. To request a Joint Services Transcript be sent electronically to the University, visit [jointservicetranscript.com](http://jointservicetranscript.com).
- **Air Force personnel and veterans:** Request an official transcript from the Community College of the Air Force for work taken as an undergraduate, or from the Air University for work taken as a graduate student. Community College of the Air Force transcripts may be ordered by sending a request in writing to: CCAF/RRR, 130 West Maxwell Blvd, Maxwell AFB AL 36112-6613, (334) 953-2794 (DSN 493-2794). You may also visit [au.af.mil/au/ccaf](http://au.af.mil/au/ccaf). Air University transcripts may be obtained by writing to the Registrar's Office, 50 South Turner Blvd., Maxwell AFB-Gunter Annex AL 36118-5643.
- **DANTES/USAFI:** Students may also request a transcript from DANTES (Defense Activity for Non-Traditional Education Support) or USAFI (United States Armed Forces Institute—tests taken prior to July 1, 1974). Many tests taken under the auspices of DANTES or USAFI carry American Council on Education credit recommendations recognized by the University. Official DANTES transcripts can be ordered from Thomson Prometric, P.O. Box 6604, Princeton, NJ 08541-6604, (877) 471-9860 (toll free). A transcript of USAFI courses or tests completed prior to July 1, 1974 may be obtained from Thomson Prometric, P.O. Box 6605, Princeton, NJ 08541-6605. Visit [getcollegecredit.com](http://getcollegecredit.com) to learn more.
- **DANTES tests (DSSTs)** can also be taken by people who are not in the military. These tests are offered through the [Center for Independent and Distance Learning](#), 1600 S. Jenkins, Room 101, Norman, OK 73072. Call (405) 325-1921 for questions.

## **CREDIT FOR TRAINING PROGRAMS AND OTHER EXTRA-INSTITUTIONAL LEARNING**

The University awards credit for educational experiences provided by certain business, industrial and governmental agencies. Credit is awarded on the basis of recommendations made by the American Council on Education in its publication "The National Guide to Educational Credit for Training Programs" and also by the publication "College Credit Recommendations: The Directory of the National Program on Non-collegiate Sponsored Instruction." Students may present certificates of completion or a transcript from the ACE Registry of Credit Recommendations to the Office of Admissions for evaluation. The dean of the college in which a student will earn a degree at the University will determine how this credit applies toward the degree. For further information, students should contact the Office of Admissions & Recruitment, 1000 Asp Avenue, Room 127, Norman, OK 73019-4076, (405) 325-2151.

## **TRANSFER OF ADVANCED STANDING CREDIT**

Prior learning assessment credit posted on transcripts from institutions in the Oklahoma State System of Higher Education will transfer to the University subject to the same conditions as resident credit from these campuses.

Prior learning assessment credit posted on transcripts from all other institutions will be accepted by the University as long as the credit was earned through one of the advanced standing mechanisms approved by the Oklahoma State Regents for Higher Education. The dean of the college in which a student will earn a degree will determine how this credit applies toward the degree.

## **ENROLLMENT AT OTHER INSTITUTIONS**

Students must report any college or university work taken at other institutions while they are current students at the University of Oklahoma. Whether this work is taken while registered in classes at the University, during a summer session, or during a semester and/or summer session while students have "stopped out" of the University temporarily, students must submit an official transcript to the Office of Admissions of all work undertaken. Failure to do so may result in suspension or permanent dismissal from the University.

## **INSTITUTION POLICY AND REGULATION RELATIVE TO STANDARDS OF PROGRESS**

Undergraduate – Minimum satisfactory grade/progress records/grade point average to be maintained/description of probationary period/conditions for re-admission for those dismissed for unsatisfactory progress

## **STANDARDS OF SCHOLARSHIP**

The following standards relating to retention of undergraduate students at the University of Oklahoma have been established. For continued enrollment in good standing, a student must maintain a retention grade point average based on total hours attempted as indicated as follows:

- 0 through 30 semester credit hours attempted — 1.70
- Greater than 30 semester credit hours attempted — 2.00

Students with 0 to 30 semester hours attempted and a retention grade point average of 1.70 to 1.99 will be placed on academic notice.

The retention grade point average is based on all work attempted, both transfer and OU, minus those courses repeated or reprieved in accordance with the academic forgiveness policy, as well as remedial courses, and PE activity courses. These standards are minimal. Each degree-recommending college may establish higher standards for retention.

The following general requirements must have been met in order to be eligible for an undergraduate or first professional degree from the University of Oklahoma:

1. Each student must satisfactorily complete the requirements for graduation prescribed by the faculty of the college recommending the degree.
2. All undergraduate students must satisfy the general education requirements that are part of the degree program under which they will graduate, unless they have completed an Associate of Arts or Associate of Science degree at an institution in the Oklahoma State System of Higher Education. Transfer students who enter the University with an Associate of Arts or an Associate of Science degree from an institution in the Oklahoma State System of Higher Education are considered to have met the lower-division (1000- and 2000-level) course requirements of the University's General Education core curriculum. However, these students are still required to complete any lower-division coursework that is required beyond the University's lower-division General Education course requirements, as well as the upper-division (including General Education) course requirements for a degree. Requests for exceptions to this policy must be submitted by the student's college and approved by the general education committee. The college advising coordinator must originate the request with a letter to the general education committee explaining and justifying the request, along with any supporting documentation.
3. A student must take a minimum of 30 semester credit hours at the University of Oklahoma, exclusive of correspondence and extension courses. At least 15 of the final 30 hours applied toward the bachelor's degree or at least 50 percent of the hours required by the institution in the major field must be satisfactorily completed in residence at the University. However, colleges may have higher standards and it is the student's responsibility to be informed concerning the specific requirements for graduation from the degree program in which he or she is enrolled. Hours completed in residence means college-level courses taken for academic credit from any division of the University of Oklahoma, including the Norman Campus, the Health Sciences Center, OU-Tulsa, and the College of Continuing Education, with the exception of correspondence courses. Grades and hours earned at any of these divisions are included in the OU retention/graduation grade point average for purposes of determining completion of degree requirements.

4. Students recommended for the bachelor's degree must achieve a combined retention/graduation grade point average of at least 2.00 in all coursework attempted, including both work undertaken at the University and transfer courses, excluding any courses repeated or reprimed as detailed in the State Regents' Grading Policy and excluding physical education activity courses. However, colleges may require a grade point average higher than 2.00 for graduation, and it is the student's responsibility to be informed concerning the specific requirements for graduation from the degree program in which he or she is enrolled.
5. The Oklahoma State Regents for Higher Education require that all students graduating from institutions in the Oklahoma State System of Higher Education, before they are awarded a baccalaureate degree of any type, must have completed at least six semester hours of college credit in American history and government.
6. Responsibility for meeting graduation requirements lies with the student.
7. A student who is a candidate for a degree at the close of any semester or summer session must submit an official Application for Graduation and pay all tuition and fee charges before the degree will be conferred and a diploma issued. For students who have not paid all of the tuition and fees by the end of the term, the degree will not be posted to their academic record and a diploma will not be issued until their tuition and fees are paid. Once these are paid in full, the degree will be posted and the diploma issued and dated with the term in which the student completed degree requirements. Those finishing in the fall should submit a graduation application by October 1; those finishing in the spring, by March 1; and those in the summer, by July 1.
8. Students are encouraged to participate in Commencement and convocation ceremonies and should purchase their official University of Oklahoma caps and gowns from the campus bookstore. The Graduation Office also will coordinate Commencement Countdown in the fall and spring, a one-stop event where students can purchase caps and gowns, graduation announcements, the OU Ring and take senior photos. The University of Oklahoma prints a Commencement program each spring to be distributed at the May Commencement exercises. Student who do not wish to have their names published in the program must mark the appropriate box on the graduation application for their name to be withheld. For more details about Commencement and convocation ceremonies, go to <http://www.ou.edu/commencement/>.
9. A student may receive a second bachelor's degree either from the college from which he or she received a first degree or from another college in the University. In order to receive a second degree, however, a student must spend at least two semesters in residence and complete at least 30 additional hours in the college. These 30 hours must be in addition to the total number of hours completed by the student for the first degree. Two degrees may be conferred at the same Commencement, provided permission is granted by the faculty recommending each degree, and provided the student submits the additional Application for Graduation.
10. Degrees achieved with honors, pursuant to University and/or State legislation, shall be recognized by diplomas attesting the character of such honors and their relative degree. Students graduating cum laude must be admitted to and satisfy the requirements of the Honors College. Should a student qualify for graduation with both college distinction and University honors, the student shall be graduated cum laude.

## **ACADEMIC PROBATION AND SUSPENSION, READMISSION**

Students not meeting retention standards will be placed on academic probation for one semester, at the end of which they must have met the minimum standard required to continue as a student in good standing. However, a student enrolled on probation may be continued on probation provided he or she makes a 2.00 grade point average on that semester's work. Students should check with their college dean's office or with the Office of Academic Records for specific enrollment requirements while on academic probation. A student enrolled on probation, who fails to raise his or her cumulative retention grade point average to minimum requirements or make a 2.00 grade point average on work taken while enrolled on probation, excluding activity courses, will be suspended for poor scholarship.

Credit completed after the end of the term, or credit earned at another institution, will be included in the student's retention/graduation grade point average at the time the work is recorded in Academic Records. The student's current academic status will be reviewed and/or updated at that time but previous postings of academic standing will remain unchanged. A student's academic status will not be changed retroactively.

A student suspended from the University for academic reasons is not eligible for readmission until one full semester has elapsed following the date of suspension. Any student who has been suspended should contact the Admissions Office for further instructions.

Regulations concerning admission, readmission, probation, and suspension of undergraduate students at the University are administered by the Committee on Academic Regulations, of which the Associate Vice President for Enrollment and Student Financial Services is chairperson. The regulations of various colleges, established by the faculty, are administered by the deans concerned:

- a. After a student has been readmitted to the University following suspension, he or she must meet any specific conditions established by the dean of his or her college for retention in that college.
- b. A student who fails to meet college requirements may be placed on probation in that college or denied enrollment in that college.

## **VETERAN STUDENTS - DESCRIPTION OF THE PROBATIONARY PERIOD. HOW LONG IS THE PERIOD FOR PROBATION VA SCO HANDBOOK SEPT 2015**

OU School Certifying Official will notify VA promptly when a student receiving VA education benefits is placed on academic probation. Certification date will be for the end of the semester. Notifications will be sent using VA's "Ask a Question" via the [Internet Inquiry System](#) following the VA's School Certifying Official Handbook instructions on Academic Probation.

## **VETERAN STUDENTS - SUSPENSION VA SCO HANDBOOK SEPT 2015**

Unsatisfactory Progress (Academic Suspension) must be reported to VA as a termination dated for the end of the semester by the OU School Certifying Officials.

## **COLLEGE OF ARCHITECTURE**

### **PROBATION AND ADVANCEMENT**

In accordance with the approved retention policy of the Oklahoma State Regents for Higher Education a student must maintain a combined retention minimum grade point average of at least 2.00 (C) in order to be in good academic standing at the University of Oklahoma. He or she must maintain at least a 2.50 OU retention and combined retention grade point averages required for graduation from any of the undergraduate programs within the College of Architecture in order to be in good academic standing within the College. A student who earns less than 2.50 grade point averages for his/her program will be notified and required to sign an "Enrollment Contract" each semester his/her retention grade point average is below the minimum required for graduation. A student on enrollment contract may be denied further enrollment in the college if he or she fails to fulfill the terms of the enrollment contract during any semester he/she is on academic notice. A student who is denied enrollment in the College of Architecture may still be eligible for enrollment in another college within the University of Oklahoma. Students who have been dismissed from the College of Architecture for academic reasons should contact the Center for Student Advancement for advisement regarding continued enrollment at the University of Oklahoma. If a dismissed student from the College of Architecture decides to continue at the University of Oklahoma, further enrollment in College of Architecture courses will be denied. A student denied enrollment in the College of Architecture may apply for readmission after a lapse of one regular semester (fall or spring). The student must submit a letter stating why he/she should be readmitted (what caused the poor academic performance and how the problems causing the poor academic performance have been remedied.) Such a request will be reviewed and decided upon by the appropriate division. If it is the first academic stop, the student's record will be reviewed to determine if it is possible for the student to earn the required grade points in the courses that remain to complete the degree and graduate. If it is the student's second academic stop, he/she will automatically be denied readmission.

## **COLLEGE OF ARTS & SCIENCES**

Good standing in the College of Arts and Sciences requires the following:

- A 2.00 combined retention grade point average (University of Oklahoma and transfer work combined), **and**
- A 2.00 University of Oklahoma retention grade point average.

Students not meeting one or both of these requirements will be placed on enrollment contract status and must meet specific conditions established by the assistant dean in the Hobson Academic Services Center. Failure to meet these conditions will result in denial of enrollment privileges in the College.

Students who have been denied enrollment privileges in the College of Arts and Sciences due to poor academic work should contact the Center for Student Advancement (150 Wagner Hall, 325-2574). Professional counselors in the Center will assist students in determining their options for continuing their educational pursuits.

If at any time during a semester the scholastic standing or attendance in any class of a student on enrollment contract is deemed unsatisfactory, the Dean of the College of Arts and Sciences may recommend to the University Registrar that the student be withdrawn from the University.

## **COLLEGE OF ATMOSPHERIC AND GEOGRAPHIC SCIENCES**

### **COLLEGE GRADE POINT AVERAGE REQUIREMENTS**

To remain in good standing in the College of Atmospheric and Geographic Sciences, students must maintain a 2.25 combined retention grade point average in all coursework attempted, a 2.25 grade point average in all coursework attempted in the major area, and a 2.25 retention grade point average in all coursework attempted at OU.

### **ACADEMIC CONTRACT**

Students whose major, combined retention or OU retention grade point averages fall below 2.25 are placed on academic contract. Students on academic contract are denied enrollment privileges through the College of Atmospheric and Geographic Sciences following any semester in which satisfactory scholastic progress toward a 2.25 has not been made.

Grade point deficiencies must be made up through reenrollment in major courses in which the student had a last-recorded grade of D or F. Should all D or F grades in curriculum courses be raised to a C or above, and the student still has grade point scholastic deficiencies, the student may then enroll in non-major courses. For the freshman and sophomore years any course may be used, but for the junior and senior years, the courses must be numbered 2000 or above, unless the course so elected is approved as an elective in the last two years of the student's major curriculum.

After a student has been reinstated in the University following an unsatisfactory scholastic record, the student must apply to the Dean of the College of Atmospheric and Geographic Sciences for reinstatement in the College. The Dean will determine whether to readmit the student and may prescribe the conditions for reinstatement in the College in accordance with the policies established by the faculty and the Dean.

## **MEWBOURNE COLLEGE OF EARTH AND ENERGY**

### **SCHOLASTIC REQUIREMENTS**

A student must maintain at least a 2.50 grade point average in order to be in good standing in the College. Any student whose combined, semester or OU retention grade point average falls below 2.50 will be placed on academic performance contract. Further, any student whose OU or combined retention major or curricular grade point average falls below a 2.50 will be placed on academic performance contract. Students on academic performance contract who fail to bring their OU, combined and/or semester GPA to a 2.50 or higher or fail to meet

other terms of the contract after one semester will be dismissed (stopped out) from the Mewbourne College of Earth and Energy. Students who fail to make adequate progress toward their degree may be dismissed from the College.

A student dismissed from the Mewbourne College of Earth and Energy may be eligible for enrollment in another college under the University retention policy. To continue at the University of Oklahoma, the student will need to make an appointment with the Center for Student Advancement, Wagner Hall 150, or call 325-2574. However, even if the student is able to continue at the University, further enrollment in Mewbourne College of Earth and Energy courses is not allowed. A student dismissed from the Mewbourne College of Earth and Energy is unlikely to be readmitted to the College. The Mewbourne School of Petroleum and Geological Engineering and the ConocoPhillips School of Geology and Geophysics have additional grade requirements. For details, see the specific school chapter in this section of the catalog.

## JEANNINE RAINBOLT COLLEGE OF EDUCATION

### RETENTION

- Students must maintain a minimum OU retention and combined retention grade point average of 2.75 in all undergraduate coursework. Students whose OU retention or combined retention grade point average at the undergraduate level falls below 2.75 will be subject to dismissal from the college. In the graduate component of their program, students must meet Graduate College requirements of a minimum 3.00 grade point average in all graduate coursework attempted and earn no grade less than a B. Academic credit from any division of the University of Oklahoma — Norman campus, Health Sciences Center, OU-Tulsa, or Continuing Education — is considered resident credit at the University of Oklahoma. Grades and hours earned in any of these divisions are included in the OU retention and cumulative grade point averages for purposes of admission or readmission to the University, and to the individual colleges within the University.
- Students must maintain a minimum of 2.75 grade point average in all professional and all specialized education courses earning no grade less than a C.
- Students must earn a C or better in Communication 1113 or its equivalent.
- Students who have not earned OU retention or combined retention grade point averages of 2.75 after the completion of 60 semester hours will be dismissed from the College.
- Because one college level math course is a requirement for full admission into both the college and the teacher preparation program, declared Education majors must complete at least one college-level Math within the first four semesters of enrollment at OU. Transfer students who have not completed a college level Math course will have two semesters to complete the requirement. Students who fail to meet the requirement within the time limits specified will be subject to dismissal from the College.
- Students will be withdrawn from courses for failing to observe prerequisites and corequisites. Continued disregard of prerequisites and corequisites is grounds for dismissal from the college.
- Coursework over 10 years old in the professional and specialized education must be reviewed and approved by faculty in the appropriate area before it can be credited toward the completion of a teacher education degree or certification program. There is no guarantee that work over 10 years old will be accepted.
- A student has six years to complete a teacher education degree after full admission to a teacher certification program. After the six-year period, a student must seek readmission to that program and meet the program requirements at the time of readmission.
- To begin the graduate certification component, students must be admitted to the Graduate College in good standing (3.00 on the last degree conferred) or conditionally (2.50–2.99 on the last degree conferred).

## GALLOGLY COLLEGE OF ENGINEERING

### SCHOLASTIC, TRANSFER AND SPECIAL REGULATIONS

The Gallogly College of Engineering subscribes to the grading practices and policies in effect at the University of Oklahoma. After admission, students should be aware of the following information and resources:

- Students may check transfer equivalencies in the transfer equivalency database through [http://www.ou.edu/content/admissions/transfer\\_equivalencies.html](http://www.ou.edu/content/admissions/transfer_equivalencies.html).
- Students should visit the Williams Student Services Center (WSSC), 112 Felgar Hall, to determine exactly how their transfer credits apply to their College of Engineering degree program. For more information, see: <http://www.ou.edu/content/coe/wssc.html>
- Pass/No Pass course enrollments may not be used to satisfy Gallogly College of Engineering course requirements. (**Note:** S/U graded courses are not the same as Pass/No Pass. S grades are permitted to count toward course requirements.)
- Academic credit from any division of the University of Oklahoma — Norman campus, OU Health Sciences Center, OU-Tulsa, or Continuing Education — is considered resident credit at the University of Oklahoma. Grades and hours earned at any of these divisions are included in the OU retention and cumulative grade point averages for purposes of admission or readmission to the University, and to the individual colleges within the University. (See also Residence Requirements under Graduation Requirements.)
- A minimum grade of C is required for every course (and its prerequisites) required for the degree.
- The School of Aerospace and Mechanical Engineering has additional grade point average and course requirements. For details, see the School of Aerospace and Mechanical Engineering sections in this chapter of the catalog. Likewise, there are additional grade point average requirements for those students in accelerated degree programs. Please consult the graduate program liaison in any specific engineering program for details.
- The University of Oklahoma limits students to five (5) drops with grade of W during their undergraduate career. Once a student reaches this maximum number of W grades, he/she will not be allowed to drop any courses after the two-week “free drop” period. After the five-drop limit has been reached, students with extreme, extenuating circumstances may apply for an exception to the limit on W grades

through the Office of the Provost. Because complete withdrawals often stem from extenuating circumstances, complete withdrawals will not be counted against the five-drop limit.

- The University of Oklahoma adheres to the Academic Forgiveness Policy instituted by the Oklahoma State Regents for Higher Education that allows students, under certain circumstances, to have courses removed from the calculation of the retention grade point average. This policy consists of three components: the repeat policy, the reprieve policy, and the renewal policy.

### **ACADEMIC NOTICE**

A student, who falls below a 2.00 grade point average (GPA) during any given semester is on Academic Notice, and may remain on academic notice until such time as their academic performance improves, or they are placed on Academic Contract (see below). Students on Academic Notice will have a College stop placed on their enrollment and will be required to meet with a College academic advisor on a monthly basis.

### **ACADEMIC CONTRACT**

A student must maintain at least a 2.00 grade point average (GPA) in order to be in good standing in the College. Any student who has a major, combined or OU retention grade point average that falls below 2.00 is on academic performance contract. Students on contract may be denied enrollment privileges in upper-division major courses and/or pre-enrollment for following semesters. The OU and/or combined retention GPA must be at least a 2.00 or greater after one semester or the student will be dismissed (stopped out), from the College of Engineering.

Students are also on contract if they take a required curricular course twice and do not successfully complete it the second time with a minimum "C" grade. These students must take the course the next time it is offered and must complete it with a grade of "C" or better, otherwise the student will be permanently dismissed (stopped out), by the Gallogly College of Engineering. Dismissal from the Gallogly College of Engineering does not necessarily include suspension from the University. Suspension from the University of Oklahoma is administered in accordance with established University policies.

If, at any time during a semester, the scholastic standing in any class of a student on contract is deemed as unsatisfactory by faculty, the Williams Student Services Center may recommend to the Office of Enrollment Services that the student be dropped from the course.

A student on academic contract in the College or on academic probation with the University may not hold office in any student organization in the Gallogly College of Engineering or in any University sponsored or recognized organization or activity.

### **ENROLLMENT STOPS AND READMISSION**

Students on academic performance contract who fail to bring their OU and/or combined GPA to a 2.0 after one semester will have an enrollment stop placed on their academic record by the Gallogly College of Engineering. A student who has taken a curricular course twice and not completed it with a minimum "C" grade is on contract. (**Note:** If the first attempt is a W, AU, I or AW it does not count against the student; a subsequent W, AU, I or AW for the same course does count as a failed attempt. Incomplete grades are granted for students who miss the final few weeks of class due to extenuating circumstances.) If the student does not earn a minimum grade of C the third time it is taken, the student is dismissed (stopped out) from the College. A student who has been dismissed (stopped out) from the Gallogly College of Engineering may be eligible for enrollment in another college under the University retention policy. To continue at the University of Oklahoma, the student will need to make an appointment with the Center for Student Advancement, 311 Old Science Hall, or call 325-2574. However, even if the student is able to continue at the University, further enrollment in Gallogly College of Engineering courses is not allowed.

A student who has been dismissed (stopped out) from the Gallogly College of Engineering is unlikely to be readmitted to the College.

## **WEITZENHOFFER FAMILY COLLEGE OF FINE ARTS**

### **RETENTION**

Students are admissible to the Weitzenhoffer Family College of Fine Arts *in good standing* once they have completed 24 hours (excluding any remedial credit hours), have a minimum 2.50 GPA, 2.75 for Bachelor of Music Education majors (includes both OU retention and combined retention), and have declared a fine arts major. Students must earn a grade of C or better in each course in the school of his/her major.

### **ACADEMIC PERFORMANCE/PROBATION**

In order to be in good academic standing in the Weitzenhoffer Family College of Fine Arts, students must maintain a minimum 2.50 GPA, 2.75 for Bachelor of Music Education majors (includes both OU retention and combined retention). Students who do not meet the minimum GPA criteria required by the college will be placed on probation. These students are required to complete an Academic Performance/Probation Contract with the Academic Counselor in the Weitzenhoffer Family College of Fine Arts Dean's Office. The Academic Performance Contract is designed to be student specific, dependent upon each student's individual circumstances.

Students who do not fulfill the requirements of their Academic Performance Contract will be dismissed from the Weitzenhoffer Family College of Fine Arts.

#### **Enrollment Restriction Policy for Probationary Students**

Probationary students will be restricted to a maximum of 12 hours per semester. Exceptions will be made only at the discretion of the Dean or Coordinator of Undergraduate Programs.

#### **Performance Restriction Policy for Probationary Students**

Probationary students may not be cast in productions or enroll in/perform Junior or Senior recitals until they have returned to good academic standing.

### **DISMISSAL**

Students who have been dismissed from the Weitzenhoffer Family College of Fine Arts will have an enrollment stop placed on their records by the college and are not allowed to enroll in fine arts courses designed and/or designated for majors only. Any advance enrollment will be

cancelled. To continue at the University of Oklahoma, the student must make an appointment and meet with an advisor in the Center for Student Advancement. Students who have been dismissed from the college twice are unlikely to be readmitted to the college.

### REVIEW PROCESS IF INELIGIBLE FOR ADMISSION OR RETENTION

The review process is: (a) written petition to the dean; (b) letters of support from the director/faculty of the school or department; and (c) dean accepts or rejects petition. There is no further appeal except to the Provost.

## COLLEGE OF INTERNATIONAL STUDIES

### SCHOLASTIC REQUIREMENTS

A student must maintain at least a 2.00 grade point average in order to be in good standing in the Department of International and Area Studies. Any student whose combined or OU retention grade point average falls below 2.00 is placed on academic contract status, and must meet specific conditions established by the Department of International and Area Studies. Failure to meet these conditions will result in denial of enrollment privileges as an International and Area Studies major. Additional grade point average requirements in the major are necessary for a student to be eligible for graduation, as detailed in the Graduation Requirements section of this chapter.

### GRADUATION REQUIREMENTS

*The responsibility for meeting graduation requirements lies with the student.*

The requirements for graduation from the Department of International and Area Studies programs normally have four components:

- University-Wide General Education requirements,
- Department of International and Area Studies requirements,
- Major requirements, and
- Free electives.

Refer to individual degree program checksheets for specific requirements, including the reverse side of the checksheets, upon which credit hour regulations are listed.

### GRADUATION GRADE POINT AVERAGE REQUIREMENTS

The Department of International and Area Studies requires certain minimum grade point averages in each of the following areas:

- Students must earn a minimum of a 2.00 combined retention grade point average (University of Oklahoma and transfer work combined).
- Students must earn a minimum of a 2.00 retention grade point average on all University of Oklahoma coursework.
- Students must earn a minimum of a 2.50 retention grade point average in all major credit courses (University of Oklahoma and transfer work combined), and a 2.50 retention grade point average in major credit courses taken at the University of Oklahoma.

## GAYLORD COLLEGE OF JOURNALISM AND MASS COMMUNICATION

### GRADUATION RULES AND REGULATIONS

- A minimum **2.50** combined retention grade point average in the major, overall, and on the last 60 hours is required to earn a Bachelor of Arts in Journalism degree.
- A grade of C or better is required in each major course, resident or transfer.
- Students fully admitted to the college may petition the faculty to have an additional three (3) credit hours from an outside ACEJMC institution applied to their University of Oklahoma degree. A maximum of 15 credit hours of JMC transfer coursework may be applied to a degree.
- The Senior Capstone course must be taken in residence at OU.
- Students must file an official application for graduation during their first two weeks of the final term of enrollment.

#### Credit Hour Regulations

- At least **130** semester credit hours applicable towards a Bachelor of Arts in Journalism degree must be earned. Not all hours acceptable by the University are acceptable towards a BA in Journalism.
- At least **60** semester credit hours must be earned at accredited senior (four-year) institutions.
- At least **48** semester credit hours must be earned at the upper-division level (courses numbered 3000 or above).
- At least **30** semester credit hours must be earned in the major, including at least **21** at the upper-division level.
- A minimum of **15** of the last **30** hours must be earned in residence at the University of Oklahoma. OU correspondence courses and transfer courses are non-resident credit.
- No more than **50** hours of JMC coursework may be applied to a Bachelor of Arts in Journalism degree. If a student pursues a minor in Film and Video Studies, any JMC courses which are applied toward this minor are also included in the maximum number of JMC credit hours allowed.
- No more than **16** semester credit hours earned under the Pass/No Pass option will apply toward the degree. P/NP credit may not be used to satisfy general education, college, major, major support, or minor requirements. Transfer credit graded P/NP is counted as part of the 16 semester credit hours earned.
- No more than **16** semester credit hours earned in all basic skills courses, including PE activity courses; military courses including Aerospace, Naval Science and Military Science courses; and military in-service experience will apply toward a BA in Journalism and Mass Communication. No more than four of the 16 hours may be in PE activity courses. Two credit hours of basic military training may be counted toward the degree when the posting of the credits by the Office of Admissions is in the form of four one-hour courses as follows: Personal Physical Conditioning, First Aid, Outdoor Skills Practicum and Marksmanship.

- No more than 12 semester credit hours earned in all individual study courses, e.g., Independent Study, but excluding Honors Reading and Research, will be counted as part of the minimum 130 semester credit hours required for graduation.
- No more than 31 semester credit hours earned by a combination of credit by exam (e.g., CLEP or Advanced Standing Exam) and correspondence courses will apply toward the degree. JMC majors may take general education and elective courses by correspondence, but are not permitted to take journalism and mass communication work by correspondence.

## Graduate – Minimum satisfactory grade/progress records/grade point average to be maintained/description of probationary period/conditions for re-admission for those dismissed for unsatisfactory progress

### GRADUATE COLLEGE STANDARDS

The Graduate College is responsible for periodic performance reviews of graduate students in accordance with the guidelines described in this catalog. If these standards are not met, the Graduate College has the authority to deny further enrollment.

The Graduate Council and the Dean of the Graduate College supervise and evaluate the academic units of the university which offer graduate programs to ensure observance of policy and academic excellence.

### RETENTION

A graduate student will be permitted to continue enrollment as long as the student remains in good academic standing by:

- fulfilling the specific requirements of his or her academic unit,
- making satisfactory progress toward the degree and
- maintaining a minimum 3.0 grade point average in all coursework attempted while in the graduate program (including undergraduate coursework, if applicable).

The retention standard and rules apply to all degree-seeking graduate students, unclassified graduate students, graduate visitors and reciprocal exchange graduate students

### PROGRESS REVIEW

The Graduate College monitors each student's academic progress by reviewing final grades and calculating grade point averages at the end of each semester. The Graduate College also monitors progress toward degree requirements, progress toward conditional admission requirements (if applicable) and student evaluations conducted by academic units (see *Evaluation of Students*). At the end of each semester the Graduate College will notify students who have not met the required standards of performance. Such students may receive warning notifications, may be placed on academic probation or may be disenrolled depending on the details of their academic performance.

### SATISFACTORY PROGRESS

Making satisfactory progress toward a graduate degree includes, but is not limited to:

- timely completion of the coursework required for the degree
- submission of a program of study
- progress made in completing research
- timely completion of the non-thesis examination or general examination
- timely completion of the thesis or dissertation defense or deposit.

### GRADE POINT AVERAGE

The grade point average (GPA) reported on a student's academic transcript may not reflect the GPA calculation methods used by the Graduate College to determine academic standing.

- A graduate student's GPA is calculated in two ways for the purpose of determining eligibility for retention and/or graduation:
  1. on graduate coursework only
  2. on all coursework attempted (including undergraduate coursework, if applicable).
- These GPAs are based on the coursework taken at the University of Oklahoma since completion of the most recent degree earned.
- If either of the two calculations yields a grade point average of less than 3.0, the student may be placed on academic probation or disenrolled.
- All letter grades, whether comprising a part of the degree program or not, will be included in GPA calculations. Exceptions are grades of S, U, I, X, P, NP, W, AW, N and AU, for which no grade points are awarded.
- If a graduate student has credits earned as an undergraduate that were approved to form part of the graduate program, these credits will be used in determining the student's graduate grade point average.
- When a final letter grade is transcribed for a course in which an I or N was originally reported, the Graduate College will perform new GPA calculations and notify the student of any change to his or her academic standing.
- When a graduate student repeats a course in which a grade of C, D or F was earned, both the original grade and the repeat grade will be included in GPA calculations. The repeat grade does not replace the original grade.
- If a graduate student previously took letter-graded coursework as an undergraduate that was approved to form part of the graduate degree program, the final grades for this coursework will be included in the GPA calculations.

### ACADEMIC PROBATION

- Students who are placed on academic probation as a result of low GPA or U/NP grades will receive official notification from the Graduate College via OU email. The student's academic unit will receive the same notification.

- Advance registration for future coursework is not permitted during academic probation. A temporary enrollment hold will be placed on the student's record. Enrollment for the next semester will not be permitted until grades for the previous semester have been reported on the academic transcript and the Graduate College has determined that the student's progress is satisfactory.
- While on academic probation, a student is not eligible to:
  - attempt the non-thesis examination or thesis defense,
  - attempt the general examination or dissertation defense or
  - graduate.

### **LOW GRADUATE COLLEGE GPA**

- Students who fall below a 3.0 on either of the two GPAs calculated by the Graduate College will be placed on academic probation. The student must earn enough hours of A grades to bring the GPA(s) up to a 3.0 within the next 12 credit hours of enrollment. (See the previous *Grade Point Average* section.)
- Students enrolled in graduate degree programs in which they do not accumulate grade points will be evaluated at the conclusion of an equivalent period.
- Students may not take the additional hours beyond the minimum number required for the degree for the purpose of raising their GPA. A student who has fewer than 12 hours of coursework remaining toward the degree will be subject to a shorter probationary period.
- The probationary period includes both letter-graded and S/U graded courses. If a student does not enroll in enough letter-graded hours to reach a 3.0 GPA during the probationary period, the student may be denied further enrollment.
- Students who do not improve their GPAs each semester may be denied further enrollment before the standard 12-hour probationary period elapses.
- A student who would need to earn more than 12 hours of A grades in order to reach a 3.0 GPA will be disenrolled from the graduate program.

### **U AND NP PROBATION**

- A student who earns two or more credit hours of U and/or NP grades in one semester will be placed on academic probation for the next two semesters in which the student enrolls.
- Earning two or more credit hours of U and/or NP during a U or NP probation will be grounds for disenrollment from an academic program and the Graduate College.

### **DISENROLLMENT FOR LOW GRADES**

- A student will be denied further enrollment when placed on any type of academic probation for the third time (see Disenrollment).
- Doctoral students who accumulate nine credit hours of C, D and/or F grades in any combination will be disenrolled from the doctoral program.

### **ACADEMIC UNIT STANDARDS**

- Academic units may have additional and more stringent criteria for evaluating a student's performance and progress than that required by those of the Graduate College.
- An academic unit may, under some circumstances, report an unsatisfactory performance or progress evaluation and recommend disenrollment of a student from a graduate program even though a 3.0 GPA has been maintained. In such cases, the academic unit must notify the student and the Graduate College in writing to explain the grounds for the unsatisfactory evaluation, the criteria the student must meet to improve his or her performance and the time frame allowed for the student to meet these criteria. A student who fails to meet the criteria as outlined is subject to disenrollment.
- Grounds for disenrollment include, but are not limited to:
  - failure to be accepted by an appropriate thesis or dissertation advisor within the stipulated time limitations
  - failure to make timely progress toward the degree
  - failure to perform in coursework, qualifying examinations or research at an acceptable level in the respective academic unit.

### **DISENROLLMENT**

#### **Options for Disenrolled Students**

- A student who has been disenrolled from a graduate program may apply to a graduate program in another major field. Admission will be contingent on the recommendation of the academic unit and the approval of the Dean of the Graduate College.
- A doctoral student disenrolled after accumulating nine credit hours of grades C, D and/or F in any combination is ineligible for admission to another doctoral program but may be considered for admission to a master's program in which the student does not already hold a master's degree.
- At the time of the new admission, the student must satisfy all applicable requirements under the rules and regulations of the University of Oklahoma, its colleges and its academic units.
- A student admitted to a master's program after being disenrolled from their previous graduate program should review the policy on *Application of Credit from an Unsuccessful Master's degree to Another Master's Degree* or *Application of Credit from an Unsuccessful Doctoral Degree to a Master's Degree*.
- A student admitted to a doctoral program after being disenrolled from their previous graduate program should review the policy on *Application of Credit from an Unsuccessful Graduate Degree Program to Another Graduate Degree Program*.

### **SPECIAL STANDARDS OF PERFORMANCE FOR STUDENTS ENROLLED IN INTERNSHIPS, PRACTICUMS OR SIMILAR PROFESSIONAL EXPERIENCES**

Some degree programs require that students successfully complete a professional experience such as an internship or a practicum.

- Students who have advanced to this point in their academic programs must exhibit the highest level of professional standards and conduct.
- For this reason, a student who earns an unsatisfactory grade or engages in inappropriate conduct in a professional experience such as an internship or practicum may be disenrolled from the academic program.
- To recommend a student for disenrollment under these provisions, the chair or director will:
  - meet with the student involved
  - conclude that the incident or incidents involve misconduct so egregious that the student must not be assigned a second professional experience
  - write a letter to the Dean of the Graduate College with a copy to the student reporting on the incident, describing the professional standards that have been violated, the results of the investigation, and the results of the meeting with the student, and recommending that the student be disenrolled.
- The Dean of the Graduate College may then approve or disapprove the recommendation or may conduct a further investigation. If the recommendation is approved, the Dean of the Graduate College will notify the student of disenrollment from the academic program and advise the student of the right to file an academic appeal of the matter. The Academic Appeals Board for the Graduate College will hear appeals of disenrollments made under the provisions of this policy.

## Withdraw Policy

### COMPLETE WITHDRAWAL FROM ENROLLMENT

During the first two weeks of classes (Fall/Spring) undergraduate students withdrawing from the University should contact Compass Network at [compassnetwork@ou.edu](mailto:compassnetwork@ou.edu) or (405) 325-8103, and their College Office beginning the third week of classes. Graduate students withdrawing from the University should contact the Office of Enrollment Services during the first two weeks of classes (Fall/Spring), and the Graduate College Office beginning the third week of classes. If you do not know your college, check with Enrollment Services, Room 230 Buchanan Hall. Withdrawn students are refunded fees and tuition according to State Regents' [refund policy](#).

**Undergraduate students** withdrawing from all courses in the first ten weeks of classes (first five weeks of a summer session) receive the grade of W in each course of enrollment. Beginning with the eleventh week (sixth week of a summer session) through the last day of classes of the semester or summer term, these students must receive a grade of W or F from the instructor in each course upon withdrawal.

**Graduate students** withdrawing from all courses in the first six weeks of classes (first three weeks of a summer session) receive the grade of W in each course of enrollment. Beginning with the seventh week (fourth week of a summer session) through the last day of classes of the semester or summer term, these students must receive a grade of W or F from the instructor in each course upon withdrawal.

A student will be held responsible for the cost of room and board if either or both are furnished by the University.

## OTHER POLICIES

### Equal Opportunity Policy

The University of Oklahoma, in compliance with all applicable federal and state laws and regulations does not discriminate on the basis of race, color, national origin, sex, sexual orientation, genetic information, gender identity, gender expression, age, religion, disability, political beliefs or status as a veteran in any of its policies, practices or procedures. This includes, but is not limited to: admissions, employment, financial aid and educational services. Inquiries regarding non-discrimination policies may be directed to: Bobby J. Mason, University Equal Opportunity Officer and Title IX Coordinator, 405-325-3546, [BJM@ou.edu](mailto:BJM@ou.edu), or visit [ou.edu/eoo.html](http://ou.edu/eoo.html).

### University's Statement of Commitment to Affirmative Action

The University of Oklahoma, recognizing its obligation to guarantee equal opportunity to all persons in all segments of University life, reaffirms its commitment to the continuation and expansion of positive programs which reinforce and strengthen its affirmative action policies. This commitment stems not only from compliance with federal and state equal opportunity laws but from a desire to ensure social justice and promote campus diversity. The University will continue its policy of fair and equal employment practices for all employees and job applicants without insidious discrimination on the basis of race, color, national origin, sex, sexual orientation, genetic information, gender identity, gender expression, age, religion, political beliefs, disability, or status as a veteran. The University will maintain a critical and continuing evaluation of its employment policies, programs, and practices. Each budget unit bears a responsibility for constructive implementation of this Plan, and whenever possible, to the overall progress toward employment opportunity and participation in all University programs and activities. Our commitment to the concept of affirmative action requires sincere and cooperative efforts throughout all levels of our employment structure. We will continue to strive to reach the goals of fair and equal employment opportunities for all.

See VA Form 20-8206, Statement of Assurance of Compliance with Equal Opportunity Laws provided separately, Attachment 1 tab 2.

Late Registration Fee	\$20.00 for registration after first official day of classes

In addition, individual courses may have special fees associated with that class.

## FLAT-RATE TUITION

Flat-rate tuition is charged to undergraduate students upon full-time registration. Students may enroll in 12 to 21 hours per semester and pay a flat rate. **Students enrolled in fewer than 12 hours pay per-credit hour.** Flat rate does not apply to Graduate, Law or Advanced Program students. Students enrolled in only Liberal Studies courses will be charged tuition and fees on a per-credit-hour basis. **Seniors with fewer than 30 hours to graduate must file a flat-rate appeal form and receive approval, to pay per-credit-hour.**

Full-time undergraduate students who pay the flat rate but take fewer than 15 credit hours per semester may be eligible to “bank hours” to use in the summer. The hours a student has “banked” will automatically reduce summer charges for tuition and mandatory hourly fees. Student must be classified as an undergraduate during the summer semester to be eligible for banked hours. Banked hours cannot be converted into cash or held for a future academic year.

## MANDATORY ENROLLMENT FEES

Mandatory enrollment fees are charges that fund the operation, maintenance and development of the university infrastructure. These fees are designed to benefit the students at the university level, not the individual level. The Oklahoma Regents for Higher Education have authorized the following mandatory enrollment fees.

### PER SEMESTER FEES

Semester fees are charged at a flat rate. Fees included are:

Health and Wellness                      Supports access to the services at Goddard Health Center.

Academic Advising	Supports the services provided to students in all colleges. Provides electronic access to advising and degree audit systems, and additional professional and peer advisers for students. Supports new program initiatives and strategies aimed at increasing the student graduation rate.
Academic Records Service	Supports the costs of no-charge transcripts, diplomas, class schedule changes, commencement activities and other academic records services for the life of each student.
Cultural & Recreation Service	Supports recreational improvements, equipment and intramurals.
International Student Maintenance (international students only)	Supports the administrative expense rendered by the university. Services include processing, maintaining and storing certificates of eligibility, worker permits, practical training permits, transfer forms, Visa extensions and other immigration papers for international students.

### **SPECIFIC PER CREDIT-HOUR FEES**

These per-credit-hour fees are charged separately from flat rate per-credit-hour fees:

College Technology Services	Supports the enhancement of instructional technology in each college. This includes student computing labs, classroom technology and technical support for students.
Academic Excellence (by admit year)	Supports the costs to recruit and retain excellent faculty, plus their scientific and academic research, including laboratories, classroom renovations, equipment, publishing costs and research assistants.
College Program	Supports technology and enrichment for colleges of classes the student is enrolled in for the current semester.
Course Specific	Supports specific course enrollments and is charged by course. Please check the current class schedule for these fees.

### **PER CREDIT-HOUR FEES**

Per-credit-hour fees are charged at a flat rate to undergraduate students upon full-time registration status. Graduate students and students registered for less than full time will be charged at a per-credit-hour rate.

Student Facility	Supports the costs of student facilities, including increased maintenance, staffing and operational expenses for Sarkeys Fitness Center and Oklahoma Memorial Union.
Student Activity	Supports student organizations and services, counseling and testing, student media, career services, and campus facilities.
Library Excellence	Supports library staffing, acquisitions of books and documents, subscriptions to scholarly journals, and traditional as well as electronic access to books and journals.
Academic Facility & Life Safety	Supports maintenance of existing classrooms, renovation and construction of academic facilities necessary to ensure quality classroom settings. Supports residence hall improvements to ensure compliance with current fire and personal safety standards.
Academic Excellence	Supports the costs to recruit and retain excellent faculty, plus their scientific and academic research, including laboratories, classroom renovations, equipment, publishing costs, and research assistants.
Security Services	Supports the costs of student-related security services on campus. These services include improving campus lighting, emergency phones, and enhancing police and security services.
Transit	Supports the operations and maintenance of campus transit services. It eliminates student fares, increases frequency of stops on all major routes, and allows restoration of routes to apartments and South Creek.
Special Event	Supports the costs of visits by noted speakers and lecturers from many fields as well as various programs and conferences.
Student Assessment	Supports the campus-wide general education program for annual assessment of the university's academic and support programs. This program is required for accreditation by the Higher Learning Commission of the North Central Association of Colleges and Schools as mandated by the Oklahoma Regents for Higher Education.
Connectivity	Supports the operation and maintenance of the university's educational technology; student service desk operation; lab, curriculum and productivity software licenses; lab printing services; course management system; off-campus access to online student services and course information; computer and network security; and campus network and wireless.
International Student Services	Supports study abroad programs and the development of new study abroad programs for all students campus-wide. This fee is a critical component to the internationalization of the Norman campus.

## **REFUND POLICY OF THE INSTITUTION:**

### **University of Oklahoma Refund Policy**

The refund policies listed below describe the financial obligation of students who withdraw from classes after the official beginning of a semester. Students are advised to read these refund policies carefully to determine which apply to their specific circumstances.

#### **I. COMPLETE WITHDRAWALS FROM THE UNIVERSITY:**

**A. REFUND POLICY FOR COMPLETE WITHDRAWAL FOR ALL STUDENTS WHO ARE NOT TITLE IV AID RECIPIENTS** (See 'B' below for definition of Title IV Aid Recipients.)

The Oklahoma State Regents refund policy with respect to fees and tuition is as follows:

Complete withdrawals from the institution during the defined refund period (first ten days of classes in Fall and Spring semesters, first five days of classes in Summer Session) will result in full charges for courses added and full credit for courses dropped. No refunds will be made after the refund period except as stipulated for enrollment of Title IV recipients.

#### **B. REFUND REGULATIONS FOR COMPLETE WITHDRAWAL FOR ALL STUDENTS WHO ARE TITLE IV AID RECIPIENTS**

Any student receiving Federal Title IV funds will be subject to the following policy regarding return of Federal Title IV funds:

The University and the student will be required to return to the federal aid programs the amount of aid received that was in excess of the aid "earned" for the time period the student remained enrolled. By Federal Law, the University has 45 days from the date the University determines the student withdrew to return unearned federal aid to the specified programs.

The percentage of the semester completed is the percentage of aid earned: This is calculated by the number of days the student attended divided by the number of days in the payment period (i.e. semester). For example, if a student withdrew on the 20<sup>th</sup> day of a semester 114 days in length, the student would have only earned 17.5% of the aid he received ( $20/114=0.175$ ).

Students who remain enrolled through at least 60% of the payment period (semester) are considered to have earned 100% of the aid received and will not owe a repayment of Federal Title IV grant funds.

If the University returns funds to the Title IV aid programs, it could result in the student owing OU charges that were originally paid at the time of disbursement. Students may also be required to return funds released to them for personal expenses.

Monies will be returned to the Title IV programs and **not to recipients**. Monies returned to the Title IV aid programs will be applied first to loans to reduce the loan debt of the student and/or parent borrower.

### **Refund of Tuition & Fees for Students who Completely Withdraw**

The Oklahoma Regents' refund policies listed below describe the financial obligation of students who withdraw from classes after the official beginning of a semester. Students are advised to read these refund policies carefully to determine which apply to their specific circumstances.

- **REFUND POLICY FOR COMPLETE WITHDRAWAL AND CHANGE OF ENROLLMENT FOR ALL STUDENTS WHO DO NOT RECEIVE FINANCIAL AID ASSISTANCE:** Changes in schedules and complete withdrawals from the institution during the defined add/ drop period (first 10 days of classes in the fall and spring semesters, first five days during the summer session) will result in addition of full charges for courses added and full reduction of charges for courses dropped. No reduction of tuition and fees will be given after the add/drop period for the semester except as stipulated for the first-time registration of Financial Aid recipients.
- **REPAYMENT REGULATIONS FOR COMPLETE WITHDRAWAL OF FINANCIAL AID RECIPIENTS:** Any student receiving Federal Financial Aid funds will be subject to the following policy regarding return of Federal funds. All Financial Aid recipients and the University will be required to return to the federal aid programs the amount of financial aid received that was in excess of the financial aid earned for the time period that the student remains registered. The percentage of the semester completed is the percentage of financial aid earned. This is calculated by the number of days the student attended divided by the number of days in the semester (payment period). Students registered in at least 60 percent of the semester are considered to have earned 100 percent of Financial Aid received and will not owe a repayment of Federal grant funds.

**If the university returns funds to the Federal government programs, it could result in the student owing OU charges that were originally paid at the time of disbursement.** Students may also be required to return funds released to them for personal expenses. If the student withdraws from the university after the Parent Plus loan is disbursed, it will fall under the Federal Title IV return of funds policy. This may result

in the student's account being charged for a portion of the unearned Parent Plus loan. If in receipt of a Parent Plus loan and the student withdraws, parent/student should return it directly to Bursar Services.

## **II. REFUND POLICY FOR DROPPING A PORTION OF YOUR SCHEDULE AFTER CLASSES BEGIN:**

Changes in schedules during the first ten days of classes in Fall and Spring semesters, first five days of classes in Summer Session will result in full charges for courses added and full credit for courses dropped. No refunds for dropped courses will be made after this time

## **REDUCTIONS AND WITHDRAWALS (CHAPTERS 30, 32, 35, 1606, & 1607) VA SCO HANDBOOK SEPT 2015**

Changes in credit hours that do not change the student's training time do not need to be reported unless the student is a serviceperson and there is a change in tuition and fees. Example: You do not have to report a change from 12 to 15 hour hours or vice versa because both are full-time for a standard quarter or semester.

If a reduction drops a student to <½-time, tuition and fees must be reported. Changes in tuition and fees should always be reported for students on active duty and students training at <½-time even if there is no change in the training time.

## **REDUCTION AND WITHDRAWALS (CHAPTER 33) VA SCO HANDBOOK SEPT 2015**

All changes in credit must be reported, generally within 30 days of the change in enrollment [[38 CFR 21.4203](#)]. Keep in mind that credit may be divided between resident credit (Res) and distance learning credit (Dist) for Chapter 33. Adjust resident credit and distance hours separately based on how the adjustment affects one, the other, or both.

Whenever credit hours change, prepare and submit an adjustment. **Adjust credit hours, and tuition and fees (if necessary).** If a student certified for 12 credit hours drops to 9 credit hours:

- Change resident credit hours from 12 to 9 credits. Remember, the 12 credits hours may be divided between Resident and Distance. Adjust the credit where appropriate.
- Change the tuition amount reported for the 12 credits hours to the tuition amount **that would have been reported** for the 9 remaining credit hours.
- Change the fees amount reported for 12 credit hours to the fees amount that would have been reported for the 9 remaining credit hours. Some courses have lab fees, etc. Make sure the fees reported are specific to the 9 credit hours that remain as if those were the only courses taken during the entire enrollment period.

## **CH 33 STUDENT DEBT - VA SCO HANDBOOK SEPT 2015**

**A debt is established on the student for tuition/fees/Yellow Ribbon when:**

- The student withdrew after the first day of the term
- The student reduced hours whether the reduction occurred before or during the term
- If the student attended more than one day of any of the classes certified and a payment has been issued, any debt created by the withdrawal should be charged to the student
- The school submitted a change in enrollment and reported a reduction in tuition, fees, and/or Yellow Ribbon due to student action reducing or terminating training.
- If a student drops a course and adds a course so that there is no net change in training time, any change to tuition, fees, and/or Yellow Ribbon is a student debt

### Clock hour requirements for Lecture Classes for Credit

Classes must meet a minimum of 800 minutes for each credit hour per semester.

- One Credit Hour Lecture Classes (800 minutes total)
  - a. Class meets 50 minutes one day a week.
- Two Credit Hour Lecture Classes (1600 minutes total)
  - a. Class meets 50 minutes twice a week.
  - b. Class meets 110 minutes one day a week.
- Three Credit Hour Lecture Classes (2400 minutes total)
  - a. Class meets 50 minutes three days a week.
  - b. Class meets 75 minutes two days a week.
  - c. Class meets 160 minutes one day a week.
- Four or Five Credit Hour Lecture Classes (3200 or 4000 minutes)
  - a. Class meets 50 minutes a day, four or five days a week.

### Clock Hour Requirements for Laboratories

- Laboratories which are given for credit must meet a minimum of 100 minutes for each credit hour per week.
- Laboratories for which no credit hours are earned have no fixed meeting time and can be scheduled for a time period recommended by the department as long as class time complies with State Regents' regulations

### Distribution of Classes

- This system applies to all undergraduate and graduate lecture classes and all regularly scheduled seminar and discussion sections between the hours of 8:30 a.m. and 4:20 p.m. It does not apply to classes in the Summer Session.
- Each department may not schedule more than the allotted number of contact hours (a contact hour equals 50 minutes of class time) in any one-hour time slot each week between the hours of 8:30 a.m. and 4:20 p.m., according to the allocation designated in the instructions distributed to departments. The total number of contact hours for each department is taken from the previous corresponding semester and is equal to the total number of contact hours taught in classroom activities described above.
- Classes scheduled at 7:30 a.m., 4:30 p.m., evening classes, and Saturday classes may be scheduled at the discretion of the department.
- Large lecture sections requiring classroom space for 100 or more students must be distributed evenly through the schedule to avoid scheduling conflicts for students who must satisfy certain degree requirements.

## Guideline Statements

- The Academic Regulations Committee is fully aware that no single rule can be followed mechanically by all departments. However, the spirit of the rule must be followed if we are to build a workable schedule within the existing space limitations.
- Any class which requires a uniform examination must be identified in the initial class schedule request. (Departments giving departmental exams during the semester who wish to have these dates published in the Class Schedule should provide these dates on a separate memo submitted along with your schedule requests.)
- A department, or school, or college unable to comply with scheduling regulations should consult with the Office of Classroom Management for assistance.

## Summer Session Class Schedule Policies and Guidelines

### Lecture Type Instruction

Four-week and eight-week classes are based on five days per week (MTWRF). Please see schedule below. **ANY DEVIATION FROM THE APPROVED SCHEDULE WILL REQUIRE THE APPROVAL OF THE PROVOST.**

### Summer Specific Information

#### Student Registration and Guideline Statements

The Provost recommends that Departments and Deans give serious consideration to offering classes in all blocks of the summer term. The primary purpose of the multiple block format is to allow greater flexibility in the scheduling of classes, with the intent of expanding course offerings during the Summer Session.

Potential Strategies to keep in mind when meeting these goals:

1. Don't load up on first four or eight week classes.
  2. Identify sequential courses that can be offered in back-to-back blocks.
  3. Identify courses that would be open to freshman and transfer students.
  4. Required major courses.
  5. Courses normally only offered in spring or fall (allow students an opportunity to get back on track)
  6. Popular transfer courses.
- Students may enroll in a combination of four and eight week courses pursuant to maximum hour regulations.
  - REGISTRATION. Students who wish to take 2<sup>nd</sup> 4-weeks (July) will be allowed to enroll during the normal registration periods up to the beginning of classes. Any advisement or permission requirements will remain in effect.
  - ADD/DROP REGULATIONS. Because of the intensive format of the summer parts-of-term, students will be allowed to add courses only through the second day of classes for that particular session, unless given permission by the instructor and student's dean to enroll later.
  - REFUND REGULATIONS. The refund period for four week courses is the first three days of classes. The refund period for eight week courses is the first five days of classes.
  - In order to meet State Regent's contact-hour regulations the summer session calendar will contain 20 class days of instruction for 4-week classes and 40 days of instruction for 8-week classes. Courses such as thesis and dissertation will be listed for 8 weeks (June/July). Holidays are Independence Day, July 4<sup>th</sup>. There will be no classes on July 3<sup>rd</sup>.

# College of Law Credit for Classroom Instruction

## **CREDIT FOR CLASSROOM INSTRUCTION**

Students are required to complete 90 credit hours to graduate. Each hour of classroom credit is based on at least 50 minutes of direct faculty instruction. For each credit hour of classroom instruction, students shall spend, on average, a minimum of 2 hours (based on a 60-minute hour) on out-of-class work during the semester.

## **FALL AND SPRING TERMS**

- A four-credit course will ordinarily meet for 200 minutes each week for 14 weeks, followed by an examination period. Students are expected to spend, on average, a minimum of 8 hours on out-of-class work per week during the semester.
- A three-credit course will ordinarily meet for 150 minutes each week, followed by an examination period. Students are expected to spend, on average, a minimum of 6 hours on out-of-class work per week during the semester.
- A two-credit course will ordinarily meet for 100 minutes each week, followed by an examination period. Students are expected to spend, on average, a minimum of 4 hours on out-of-class work per week during the semester.
- A one-credit course will ordinarily meet for 50 minutes each week, followed by an examination period. Students are expected to spend, on average, a minimum of 2 hours on out-of-class work per week during the semester.
- If a class does not meet every week or does not have an examination, an equivalent amount of time will be allocated during the term to direct classroom instruction and student out-of-class work per week.

## **SUMMER TERM**

- A four-credit course will ordinarily meet for 400 minutes each week for 7 weeks, followed by an examination period. Students are expected to spend, on average, a minimum of 16 hours on out-of-class work per week during the term.
- A three-credit course will ordinarily meet for 300 minutes each week for 7 weeks, followed by an examination period. Students are expected to spend, on average, a minimum of 12 hours on out-of-class work per week during the term.
- A two-credit course will ordinarily meet for 200 minutes each week for 7 weeks, followed by an examination period. Students are expected to spend, on average, a minimum of 8 hours on out-of-class work per week during the term.
- A one-credit course will ordinarily meet for 100 minutes each week for 7 weeks, followed by an examination period. Students are expected to spend, on average, a minimum of 4 hours on out-of-class work per week during the term.
- If a class does not meet every week or does not have an examination, an equivalent amount of time will be allocated during the term to direct classroom instruction and student out-of-class work per week.

## INSTITUTION POLICY & REGULATIONS

### ADMISSION REQUIREMENTS

#### Undergraduate Admissions Criteria

- 24 hours or more of letter-graded college credit
- overall GPA

Applicants under 21 years of age who are not active-duty military and have fewer than 24 hours of letter-graded college credits must follow the [University of Oklahoma's Norman Campus criteria for first-time entering freshmen](#).

Applicants with fewer than 24 hours of letter-graded college credit and/or less than a 2.0 overall GPA will be referred to the College of Liberal Studies for additional evaluation. CLS staff will contact applicants to provide the following materials:

- Statement of Purpose (300-500) words
- Résumé with two references
- Two letters of recommendation

#### APPLICATION DEADLINES

All materials required for the undergraduate application deadlines include: your completed application, \$40.00 application fee, and official transcripts from all attended institutions.

SESSION	APPLICATION DUE
Fall Session I	July 1
Fall Session II	September 15
Spring Session I	December 1*
Spring Session II	February 15
Summer	May 1

\*The University of Oklahoma campus closes for Winter Break. Applications are not processed during this time.

#### Graduate Admissions Criteria

- A Bachelor's degree, equivalent, or higher from a regionally accredited institution.
- Completed the University of Oklahoma online application.
- Submit the transcript from your last degree-granting institution.
- Overall GPA of 3.0 or higher.\*

\* Applicants with a GPA below a 3.0 and above a 2.49 will be considered and may be conditionally admitted.

Applicants with a GPA below 2.5 will only be considered if it has been 3 or more years since the degree was conferred.

In addition, they will be required to submit an additional writing sample. These applications will require a petition and may take longer to process.

Students must maintain a 3.0 GPA (a “B average”) or higher to maintain regular admission status and be eligible to graduate.

### **APPLICATION DEADLINES**

All materials required for the graduate application deadlines include: your completed application, \$50.00 application fee, resume, last unofficial degree-conferred transcript, and 300-500 word statement of goals. Upon receiving your acceptance letter, you must submit official transcripts.

<b>SEMESTER</b>	<b>APPLICATION DUE</b>
Fall	July 1
Spring	December 1*
Summer	May 1

*\*The University of Oklahoma campus closes for Winter Break. Applications are not processed during this time.*

## **INSTITUTION POLICY AND REGULATION RELATIVE TO STANDARDS OF PROGRESS**

Undergraduate – Minimum satisfactory grade/progress records/grade point average to be maintained/description of probationary period/conditions for re-admission for those dismissed for unsatisfactory progress

### **Satisfactory Academic Progress Policy**

The College of Liberal Studies expects you to maintain continuous and satisfactory progress toward completion of degree requirements each semester you are enrolled in the program. Specifically, you must maintain passing grades in at least 70% of your enrolled courses each year. So, for example, if you enroll in a total of 30 semester hours (10 courses) in an academic year, you must successfully complete 21 hours (7 classes) to maintain satisfactory progress. Please be advised that our active monitoring of your progress is not in any way intended to be punitive but simply to help us better assist you in achieving your educational goals.

IMPORTANT NOTE: Grades of I (incomplete), W (withdrawn), AW (administrative withdrawal), F (failing), U (unsatisfactory) and N (no grade) are considered as not making satisfactory progress.

Because your academic success is our highest concern, we have implemented policies that prohibit your continued enrollment if you fail to maintain satisfactory progress:

**Advisement Hold/Enrollment Stop:** If you have more than four unsatisfactory progress grades (I, AW, F, U, N) in any combination during one semester, you will be placed on Advisement Hold/Enrollment Stop. This means that you will be required to seek permission from your academic adviser before you are allowed to re-enroll. If you registered for courses before the end of a semester of unsatisfactory progress, your enrollments will be cancelled. Before you are allowed to re-enroll, you will be placed on Academic Contract, meaning that you agree to make satisfactory progress in any course enrollments following the advisement hold.

**Academic Probation:** If your cumulative grade point average or your institution grade point average fall below 2.0, you will be placed on academic probation. This means that you will be placed on Academic Contract, and will stay on Academic Probation, until such time as you raise your grade point average above 2.0.

**Academic Suspension:** If you fail to make satisfactory academic progress during any semester you are on Academic Contract or Academic Probation, you will be suspended for poor scholarship, and will not be allowed to continue pursuing your degree in the College of Liberal Studies.

**Enrollment Limitations:** If you fall below the minimum level of satisfactory progress, and as part of the Academic Contract, we may limit the number of courses you can take in a given term, meaning that we may restrict your enrollments to fewer than 12 hours per semester until you demonstrate satisfactory progress. This may have an impact on the amount of financial aid you are eligible to receive.

## Withdraw Policy

### WITHDRAWING FROM AN 8-WEEK COURSE:

#### FREE DROP PERIOD (WEEK 1)

No grade is recorded if a student drops within one week after the course begins. Students must drop the course using the online enrollment system through (<http://ozone.ou.edu/>)

Note: Notifying the faculty member of intent to drop/withdraw will not result in a student drop/withdrawal.

Student is not responsible for tuition and fees if the course is dropped within one week of course start date.

After the first week of the course, no refund will be given and the student is responsible for paying all tuition and fees for the course.

#### WITHDRAWAL (WEEKS 2-6)

A grade of W (withdraw) will be assigned.

Students must notify the CLS Program Staff of the withdrawal depending on their program of study. Note: Notifying the faculty member of intent to withdraw will not result in a student withdrawal.

Student is responsible for all tuition and fees. No refund will be given.

#### WITHDRAWAL (WEEKS 7-8)

A grade of A-F, W (Withdraw) or I (Incomplete) will be assigned for the course if student is enrolled and has submitted coursework. A student may not withdraw from a course without approval from the faculty member two weeks before the end of the course. Within the two-week period, the faculty member will have at his/her discretion the following options regarding the student's assignments:

- 1) Grade the remaining course work and assign a final grade;
- 2) Arrange an alternative deadline for an Incomplete; or
- 3) Grant the student's request to withdraw from the course. In all cases, students are instructed to contact their advisor in writing of their intent in the course.

Student is responsible for all tuition and fees. No refund will be given.

### WITHDRAWING FROM A 16-WEEK COURSE:

#### FREE DROP PERIOD (WEEKS 1 - 2)

No grade is recorded if a student drops within one week after the course begins. Students must drop the course using the online enrollment system through (<http://ozone.ou.edu/>) Note: Notifying the faculty member of intent to drop/withdraw will not result in a student drop/withdrawal.

Student is not responsible for tuition and fees if the course is dropped within two weeks of course start date.

After the first two weeks of the course, no refund will be given and the student is responsible for paying all tuition and fees for the course.

#### WITHDRAWAL (WEEKS 3 - 12)

A grade of W (withdraw) will be assigned.

Students must notify the CLS Program Staff of the withdrawal depending on their program of study. Note: Notifying the faculty member of intent to withdraw will not result in a student withdrawal.

Student is responsible for all tuition and fees. No refund will be given.

#### WITHDRAWAL (WEEKS 13 - 16)

A grade of A-F, W (Withdraw) or I (Incomplete) will be assigned for the course if student is enrolled and has submitted coursework. A student may not withdraw from a course without approval from the faculty member two weeks before the end of the course. Within the two-week period, the faculty member will have at his/her discretion the following options regarding the student's assignments:

- 1) Grade the remaining course work and assign a final grade;
- 2) Arrange an alternative deadline for an Incomplete; or
- 3) Grant the student's request to withdraw from the course. In all cases, students are instructed to contact their advisor in writing of their intent in the course.
